

Next-Generation Aquaculture

An aerial photograph of a vast, calm body of water, likely a coastal bay or estuary. The water is a deep blue-grey color. In the center of the frame, a small white boat with a yellow cabin is moving towards the right, leaving a white wake. Several small, dark buoys are scattered across the water's surface. In the background, a thin strip of land is visible, featuring a line of wind turbines and some buildings. The sky is filled with soft, white clouds, suggesting a bright but slightly overcast day.
