

Beverly Golf & Tennis

Summer Tennis Newsletter

The clay courts at Beverly Golf & Tennis are managed by the Bass River Tennis Club. 2025 represents the 19th season of the partnership between BRTC and BG&T. We open for play as early in May as the weather will permit and courts are routinely used until Halloween. BG&T is a public facility. Everyone is welcome to enjoy these terrific courts.

This newsletter provides information about season passes, day passes, junior and adult programming and of course a calendar of events.

We take our stewardship of "The Shoe" very seriously. If we can do anything to enhance your tennis experience, please let us know.

- Director of Tennis
- Rares Petritoi

We hope you'll have fun with family and friends at Beverly Golf & Tennis. Enjoy your time on the court. Make tennis on the clay the most enjoyable part of the summer of 2025!

The Unlimited Pass vs. Day Passes – Do the math...

The most asked question each year is, should I buy the “Unlimited” or should I “Pay as I go?” Here is a reasonable rule of thumb...If you are going to play at least once per week (and you will play into the fall) then the season pass is your best bet. If you play once a week or less, then pay as you go. An Unlimited Adult membership for a Beverly resident is \$500.00, \$650.00 for non-residents. A day pass for random play is \$25.00. Remember that all our summer programs like Round Robins, match-plays and mixers are included in your Unlimited pass fee. Be sure to factor in summer vacations and rain days. They happen.

Tennis for the Kids

We have a tennis clinic program for children of all ages and levels of play. Our Junior Program is a terrific value. You may select from weekly sessions or take the entire summer for a greatly reduced price. We begin late June and run into August. See page 3 for dates. Classes meet three days per week. Times depend on age and level. See any of the teaching staff for details. Sessions fill quickly!

Tennis for Adults

We run a variety of adult clinic and match play programs. This summer we will use the Bass River app to sign up for the weekly events. See any staffer for a complete list of weekly events and get your name on the lists that best fit your level and schedule.

Benefits of the Unlimited

Our unlimited pass holders can use the Bass River online booking or app booking program. Courts can be booked up to 4 days in advance (current day plus 3). You will receive email notifications of court closings and special events like tournaments that might close off courts. Day pass players may book court time 3 days in advance. We thank all players for keeping a credit card on file with Bass River. Any balance will be run on the 8th of the month for the previous month. If you pay your balance prior to the 8th, your card on file is not touched!

Hours of Operation

Weather permitting, we open each day at 8:00 am and close at dusk. We will close at noon on Memorial Day Monday, July 4th and Labor Day. You may call either Bass River at (978) 927-0102 or the tennis desk at BG&T at (978) 922-9072 x7 to book courts, check weather related delays or for any other tennis matter. In both the early and late season, the desk is not fully staffed each day. Please follow the bulletin board on the tennis shop door for court assignments. Gates are sometimes left open with instructions for players. Drop-in players should leave a note by the desk for court usage. We trust in the honor system.

Summer Calendar of Events

Page 3 of this newsletter lists all the events that may impact court availability for our unlimited and day-pass players. There is a USTA New England Senior Sectional in September. Some of these tournaments take all the courts. Some will have courts open for members to book around. Ask for details as they approach.

Changes and updates to the facility

There are no large-scale improvements set to take place this season. We do not anticipate any interruption to random court play, our activities or any other special events. As always, we are eager to hear any suggestions you may have that will make our facility look better and enhance your enjoyment on the courts.

A note on parking; It is widely thought that the gravel lot area outside the tennis shop is “tennis parking”. Parking areas are shared equally by all who use the facility. There will be times that golf outings or a large function may cause tennis players to have to park away from the gravel lot. We do expect all our tennis players to follow and obey any signs or instructions from BG&T staff. Failure to do so will cause a revocation of your Unlimited pass and removal from all programs and events. We also ask our tennis players to please obey the emergency parking restrictions and not block that entrance area.
