About our Program:

All classes and levels are supervised by our Junior Program Coordinator, Mike Dolph. Mike utilizes our full-time staff, one of which serves as age supervisor for each age category. This dedicated approach ensures that every child is progressing at his or her best pace and are getting as much individual attention as a clinic can provide.

Levels:

Our Tots class (ages 3-4) and all the Level 1 and Level 2 classes are offered either Tuesday or Thursday. Class times are either 3:30-4:30 or 4:30-5:30 (Tots are always 3-3:30). New students do not need to be evaluated to enter these classes. Beginner or advanced beginner players will fit into these slots and then are divided by the on-court staff.

Players looking to enter Levels 2.5, 3 or 4 will need to be evaluated by Mike or someone he assigns. This protects the integrity of the program for all our players. Classes are held on either Monday or Wednesday. The times are 3:30-5:00 or 5:00-6:30. Please note that

class times or days sometimes change due to enrollment size. Be sure to check with our front desk staff or one of the teaching Pros.

Getting the most out of our program:

Included in the fee for the clinic session is an additional visit to Bass River as a supplement to on-court instruction. For our Level 1 and Level 2 classes, this is our Friday Fun Day. One extra 1-hour session, supervised by our staff to help reinforce the weekly lesson. For our Level 3 and Level 4 programs, we offer a Sunday Match Play. The dates and times for each age group will be sent to parents at the start of each session. We encourage our players to make as many of these as they can.

Perks of Level 3 & 4:

For our junior players in either Level 3 & 4 class, or on our Junior Travel Team, your membership comes with unlimited free court time. Note that free court time can only be booked 24 hours in advance. A 2 or 3-day advanced booking will incur court fees. You must be in our junior clinics or travel team will be permitted to take the full junior membership.

Calendar of Events for 2025-2026:
