BASS RIVER TENNIS CLUB

North Shore's premier tennis facility

All BG&T Summer Unlimited Members, Bass River Members or guests that are properly registered in our system also have a personal account associated with their profile. While Unlimited Play pre-pays all court time and Pay-Go players should check-in and pay at the desk prior to play, all players are permitted to charge packages, Pro Shop items, racquet repair and miscellaneous items to their personal account. On the 8th of month, Bass River will process an EFT against any balance for the previous month's activity. Please read and sign the agreement below on our EFT policy. Any account with a zero balance will not be touched.

All month end balances have an EFT on the 8th of the month.

I authorize the Bass River Tennis Club to charge my credit card on the 8th for the previous month's unpaid balance. I recognize that if I pay my balances prior to the EFT date, my card will not be touched. I also recognize that I may view my account at any time on my Bass River Tennis Club personal profile and reserve the right to challenge any charge prior to the EFT.
