13.2 OHI, the CLIENT and any third-party inspector nominated by OHI shall have the right, but not the obligation, to witness any test or inspection and to inspect, test and examine the SERVICES, and all related documentation, at the SUPPLIER's or any SUB-SUPPLIER's premises, at the WORKSITE or elsewhere, at all reasonable times. The SUPPLIER shall give OHI not less than seven (7) days' notice of any test or inspection. If OHI fails to attend at the notified time, the SUPPLIER may proceed in OHI's absence.

13.3 No part of the SERVICES shall be covered up or put out of view without the consent of OHI. OHI may at any time require the SUPPLIER to uncover any part of the SERVICES and to reinstate it following inspection.

13.4 OHI shall have the right to reject any part of the SERVICES which does not comply with the PURCHASE ORDER. Upon notice of rejection, the SUPPLIER shall immediately re-perform, repair or replace the non-conforming part at its own cost and carry out such further inspections and tests as OHI may require to confirm that no similar non-conformities exist.

13.5 Where additional inspection, testing, uncovering or reinstatement required by OHI reveals no failure by the SUPPLIER to comply with the PURCHASE ORDER, the reasonable cost shall be borne by OHI, provided that the SUPPLIER has notified OHI of the potential cost before it is incurred.

13.6 Neither the inspection, witnessing, testing or approval of the SERVICES by OHI, nor any failure to do so or to discover or reject defects, shall relieve the SUPPLIER of any liability or obligation under the PURCHASE ORDER.

13.7 If the SUPPLIER defaults in carrying out its obligations under this Clause 13, OHI may, having given prior notice, undertake those obligations itself or through a third party and recover all costs reasonably incurred from the SUPPLIER.

14.0 VARIATIONS

14.1 RIGHT TO ISSUE INSTRUCTIONS

(a) OHI has the right to issue instructions to the SUPPLIER at any time to make any revision to the SERVICES, including additions, omissions, substitutions, changes in quality, quantity, form, character, kind, position, dimension, sequence or timing, and acceleration.

(b) On receipt of any such instruction the SUPPLIER shall, when required by OHI, proceed immediately as instructed even though the effect upon the PRICE and/or the COMPLETION DATE may not yet have been determined.

14.2 VARIATION BASIS

(a) Before instructing any VARIATION, OHI may require the SUPPLIER to submit, within seven (7) days or such other period as OHI may specify, an estimate of the effect of the proposed VARIATION on the PRICE and the COMPLETION DATE.

(b) The PRICE and/or the COMPLETION DATE shall be subject to adjustment only as a result of a VARIATION issued in writing by OHI.

(c) The SUPPLIER shall not be entitled to a VARIATION for any instruction, decision or act of OHI made or given to ensure that the SUPPLIER complies with its obligations under the PURCHASE ORDER.

(d) A VARIATION shall not affect the rights or obligations of the PARTIES except as expressly provided in that VARIATION, and every VARIATION shall be governed by all the provisions of the PURCHASE ORDER.

14.3 RIGHT TO REQUEST A VARIATION

(a) If the SUPPLIER considers that an occurrence has taken place for which it is entitled to a VARIATION, the SUPPLIER shall, before proceeding with any work affected, and in any event within fourteen (14) days of the occurrence, request in writing that OHI issue a VARIATION, giving details of the occurrence, the relevant dates and the Clause(s) of the PURCHASE ORDER relied upon, together with supporting estimates.

(b) If the SUPPLIER fails to submit a request in accordance with Clause 14.3 (a), the SUPPLIER shall, at the sole discretion of OHI, forfeit any right to a VARIATION and to any adjustment to the PRICE and/or the COMPLETION DATE in respect of such occurrence.

(c) OHI shall, within a reasonable time of receiving a request and supporting estimates, notify the SUPPLIER either:

(i) that the request, or part of it, is accepted in principle, in which case OHI will issue a VARIATION; and/or

(ii) that the request, or part of it, is included in the SUPPLIER's obligations under the PURCHASE ORDER and is rejected; and/or

(iii) that the request, or part of it, is rejected for other stated reasons.

14.4 ADJUSTMENTS

Wherever possible, the effect of a VARIATION on the PRICE and the COMPLETION DATE shall be agreed before the instruction is issued or work commences, using the SUPPLIER's estimate. Failing agreement, OHI shall determine the effect of the VARIATION in accordance with the following principles:

(a) where the work is of a similar nature and carried out under similar conditions to work priced in the PURCHASE ORDER, it shall be valued at the applicable rates and prices in the PURCHASE ORDER;

(b) where there are no applicable rates or prices, a fair valuation shall be made based on reasonable and verifiable costs plus a reasonable margin; and

(c) a fair and reasonable adjustment shall be made to the COMPLETION DATE, taking into account all relevant factors, including any acceleration instructed by OHI.

14.5 DISPUTED VARIATIONS

(a) If the SUPPLIER disagrees with OHI's rejection of a request for a VARIATION or with OHI's determination of the effect of a VARIATION, it shall give written notice of its disagreement within fourteen (14) days of such rejection or determination, and shall keep such contemporary records as may reasonably be necessary to support its claim.

(b) If the SUPPLIER fails to give such notice, it shall, at the sole discretion of OHI, forfeit any right to any further adjustment in respect of such matter.

(c) Pending resolution, OHI shall make such interim adjustments as it considers fair and reasonable, without prejudice to the rights of either PARTY. Any unresolved disagreement shall be treated as a dispute under Clause 36.

15.0 FORCE MAJEURE

15.1 Neither PARTY shall be responsible for any failure to fulfil any term or condition of the PURCHASE ORDER if and to the extent that fulfilment has been delayed or temporarily prevented by a force majeure occurrence, as defined below, which has been notified in accordance with this Clause, which is beyond the control and without the fault or negligence of the affected PARTY, and which, by the exercise of reasonable diligence, the affected PARTY is unable to prevent or provide against.

15.2 For the purpose of the PURCHASE ORDER only the following occurrences shall be force majeure:

(a) riot, war, invasion, acts of foreign enemies, hostilities (whether war be declared or not), acts of terrorism, civil war, rebellion, revolution, insurrection or military or usurped power;

(b) ionising radiation or contamination by radioactivity from any nuclear fuel or nuclear waste, or radioactive, toxic, explosive or other hazardous properties of any explosive nuclear assembly or component;

(c) pressure waves caused by aircraft or other aerial devices travelling at sonic or supersonic speeds;

(d) earthquake, tsunami, cyclone, flood, fire, explosion and/or other natural physical disaster, but excluding weather conditions as such, regardless of severity, save for named tropical cyclones declared as such by the Omani Civil Aviation Authority or other COMPETENT AUTHORITY;

(e) epidemics or pandemics declared by the World Health Organisation, and quarantine or movement restrictions imposed by a COMPETENT AUTHORITY in response, to the extent they directly prevent performance;

(f) strikes or industrial disputes at a national or regional level, or strikes or industrial disputes by labour not employed by the affected PARTY, its SUB-SUPPLIERS or its suppliers, which affect a substantial or essential portion of the SERVICES; and

(g) maritime or aviation disasters.

15.3 The PARTY affected by a force majeure occurrence shall notify the other PARTY without delay, and in any event within seven (7) days of becoming aware of it, giving full particulars, and shall use all reasonable endeavours to mitigate and remedy the situation without delay.

15.4 If either PARTY is delayed in performing the PURCHASE ORDER by a force majeure occurrence, the COMPLETION DATE (but not the PRICE, unless otherwise expressly provided in the PURCHASE ORDER) shall be adjusted by VARIATION in accordance with Clause 14. No HIRE RATE, standby rate or other charge shall be payable in respect of any period of force majeure unless expressly stated in the PURCHASE ORDER.

15.5 Following notification of a force majeure occurrence, the PARTIES shall meet without delay with a view to agreeing a course of action to minimise its effects. If a force majeure occurrence continues for more than thirty (30) consecutive days, OHI may terminate the PURCHASE ORDER, in whole or in part, by notice to the SUPPLIER in accordance with Clause 29.1 (a).

16.0 SUSPENSION

16.1 OHI shall have the right, by notice to the SUPPLIER, to suspend the SERVICES or any part of them, to the extent detailed in the notice, for any of the following reasons:

(a) subject only to Clause 16.3, in the event of default on the part of the SUPPLIER;

(b) where suspension is necessary for the proper execution of the PURCHASE ORDER or for the safety of persons or property; or

(c) to suit the convenience of OHI or the CLIENT.

16.2 Upon receipt of any such notice the SUPPLIER shall, unless instructed otherwise, discontinue the SERVICES or the relevant part on the date and to the extent specified, and properly protect and secure the work in progress and any materials and equipment as required by OHI.

16.3 In the event of default on the part of the SUPPLIER and before OHI issues a notice of suspension, OHI shall give notice of default to the SUPPLIER giving details of such default. If the SUPPLIER does not, upon receipt of such notice, commence and thereafter continuously proceed with action satisfactory to OHI to remedy the default, OHI may issue a notice of suspension.

16.4 Unless the suspension arises as a result of default on the part of the SUPPLIER, the PRICE and the COMPLETION DATE shall be adjusted in accordance with Clause 14, limited to the SUPPLIER's reasonable and verifiable direct costs of the suspension. No HIRE RATE shall be payable during any suspension unless expressly stated in the PURCHASE ORDER.

16.5 If the suspension results from default on the part of the SUPPLIER, any additional costs reasonably incurred by OHI as a result shall be recoverable from the SUPPLIER.

16.6 OHI may, by further notice, instruct the SUPPLIER to resume the SERVICES to the extent specified.

16.7 If a suspension not arising from default on the part of the SUPPLIER exceeds ninety (90) days (or such other period stated in the PURCHASE ORDER), the SUPPLIER may serve notice on OHI requiring permission to proceed within fourteen (14) days. If OHI does not grant such permission, the SUPPLIER may by further notice elect to treat the suspension as an omission of the affected part under Clause 14 or, where it affects the whole of the PURCHASE ORDER, as a termination for convenience under Clause 29.1 (a).

17.0 PRICE AND TERMS OF PAYMENT

17.1 In consideration of the performance of the SERVICES, OHI shall pay the SUPPLIER the amounts detailed in the PURCHASE ORDER within ninety(90) days of receipt of a valid invoice in accordance with this Clause 17, or within such other period as is specified in the PURCHASE ORDER.

17.2 Except where the PURCHASE ORDER expressly provides that OHI shall carry out an obligation at its own cost, all things to be supplied or performed by the SUPPLIER under the PURCHASE ORDER shall be deemed to be included in the PRICE.

17.3 The PRICE is exclusive of VAT (but subject to it where applicable) and includes all other taxes, duties, levies, fees, royalties, approvals, permits, licences, insurances and fiscal charges. The PRICE is fixed and firm and not subject to escalation for any reason, including fluctuations in the cost of raw materials, exchange rates, taxes and duties (other than VAT), wages, labour rates or fuel prices, unless expressly stated in the PURCHASE ORDER.

17.4 Unless otherwise stated in the PURCHASE ORDER, the SUPPLIER shall invoice for the SERVICES monthly in arrears, or on completion of the milestones specified in the PURCHASE ORDER, within one (1) month of the end of the relevant period or milestone.

17.5 Each invoice shall be a valid tax invoice in accordance with the VAT LAW, correctly prepared and adequately supported, showing separately the amounts claimed and the VAT charged, and shall quote the PURCHASE ORDER number, the name of the PURCHASING ENTITY and such other details as may be specified in the PURCHASE ORDER. Each invoice shall be addressed to the PURCHASING ENTITY and submitted to the address specified in the PURCHASE ORDER.

17.6 Payment shall be made in the currency stated in the PURCHASE ORDER to the bank account of the SUPPLIER nominated in writing and verified by OHI. The SUPPLIER shall notify OHI of any change to its bank details in writing on its letterhead, signed by an authorised signatory, and OHI shall not be liable for any payment made to an account notified to it in accordance with this Clause.

17.7 If OHI disputes any invoice in whole or in part, or if an invoice is incorrectly prepared or submitted, OHI shall notify the SUPPLIER of the reasons and may request a credit note for the disputed or incorrect part. OHI shall pay the undisputed part of the invoice in accordance with this Clause. On settlement of the dispute the SUPPLIER shall submit an invoice for any sums then due.

17.8 Neither the presentation, payment or non-payment of any invoice shall constitute a settlement of any dispute or an acceptance of the SERVICES, or waive or affect the rights of the PARTIES.

OHI may correct or adjust any sum previously paid which was incorrect, not properly payable, or paid in respect of work which does not comply with the PURCHASE ORDER.

17.9 OHI and any other member of the OHI GROUP shall be entitled to deduct from or set off against any amount due or which may become due to the SUPPLIER under the PURCHASE ORDER (or under any other purchase order or contract between the SUPPLIER and any member of the OHI GROUP) any amount which the SUPPLIER owes to OHI or any other member of the OHI GROUP, including costs recoverable under the PURCHASE ORDER. Any amount remaining due to OHI shall be paid by the SUPPLIER within thirty (30) days of receipt of OHI's invoice.

17.10 Wherever a PARTY is entitled under the PURCHASE ORDER to recover costs from the other PARTY, such costs shall be the amount of all claims, losses, damages, charges, disbursements, costs (including amounts paid to third parties), overheads and expenses directly resulting from the matter in question, but excluding any element of profit.

17.11 The SUPPLIER shall not be entitled to payment of any invoice received by OHI more than three (3) months after COMPLETION, save where OHI decides at its sole discretion to make such payment. The final invoice shall include a schedule of all amounts which the SUPPLIER considers remain due, limited to items previously notified under Clause 14.

18.0 TAXATION

18.1 The SUPPLIER shall, except as otherwise provided in the PURCHASE ORDER, be responsible for:

(a) the payment of all taxes, duties, levies, charges and contributions (and any interest or penalties thereon) for which the SUPPLIER GROUP is liable, now or hereafter imposed by any COMPETENT AUTHORITY in the Sultanate of Oman or elsewhere, including corporate income tax, withholding tax, customs duties, social insurance contributions and taxes on the wages, salaries and benefits of its personnel, arising from or in connection with the PURCHASE ORDER;

(b) compliance with all statutory obligations to make deductions on account of tax and social insurance and to remit the required amounts to the relevant COMPETENT AUTHORITY; and

(c) ensuring that each SUB-SUPPLIER and any other person providing services in connection with the PURCHASE ORDER complies with this Clause.

18.2 The SUPPLIER shall supply to OHI all information in connection with the PURCHASE ORDER that is necessary to enable any member of the OHI GROUP to comply with the lawful requirements of any COMPETENT AUTHORITY.

18.3 The SUPPLIER shall save, indemnify, defend and hold harmless the OHI GROUP against all taxes, levies, charges and contributions (and any interest or penalties thereon) assessed by any COMPETENT AUTHORITY on the SUPPLIER GROUP in connection with the PURCHASE ORDER and all costs reasonably incurred in connection therewith. If any member of the OHI GROUP receives a notice requiring it to pay any such amounts, OHI shall notify the SUPPLIER, who shall co-operate with OHI in any valid appeal. If a member of the OHI GROUP is ultimately required to pay, OHI may recover such sums from the SUPPLIER or deduct them from any monies due to the SUPPLIER.

18.4 WITHHOLDING TAX

The SUPPLIER shall be responsible for assessing, and taking into account in its PRICE, its potential tax liability, including withholding tax, under APPLICABLE LAW. Where withholding tax is applicable to any payment under the PURCHASE ORDER (including withholding tax under

the Income Tax Law of the Sultanate of Oman on payments to non-resident persons), the SUPPLIER shall separately identify and invoice the amounts subject to withholding tax, and OHI shall be entitled to deduct the required amount from payments due to the SUPPLIER and remit it to the TAX AUTHORITY. OHI shall provide the SUPPLIER with evidence of such remittance. Any claim by the SUPPLIER that withholding tax does not apply, or applies at a reduced rate under a double taxation treaty, shall be supported by a valid tax residency certificate or other documentation required by the TAX AUTHORITY.

18.5 VALUE ADDED TAX

(a) To the extent that the supplies made under the PURCHASE ORDER are subject to VAT, the SUPPLIER shall add VAT to the PRICE at the prevailing rate in accordance with the VAT LAW. Where applicable, the SUPPLIER shall apply any exemption or zero rate available under the VAT LAW.

(b) OHI shall pay VAT to the SUPPLIER only against a valid tax invoice issued in accordance with the VAT LAW and displaying the SUPPLIER's VAT registration number. Payment of VAT shall not be processed in the absence of a valid tax invoice.

(c) Where the SUPPLIER recharges costs and expenses to OHI as part of the PRICE, such recharges shall be calculated net of any VAT incurred by the SUPPLIER which is recoverable by it as input tax.

(d) If the rate of VAT increases after the COMPLETION DATE and the delay in performance is attributable to the SUPPLIER, OHI shall be liable only for VAT at the rate applicable on the original COMPLETION DATE.

(e) It shall remain the sole responsibility of the SUPPLIER to assess the VAT rate(s) and VAT liability arising out of the PURCHASE ORDER and to account for VAT to the TAX AUTHORITY. OHI shall not be liable for any error or failure by the SUPPLIER in relation to VAT, including the application of an incorrect rate, and the SUPPLIER shall indemnify the OHI GROUP against any VAT, penalties and interest arising from such error or failure.

19.0 OWNERSHIP, TITLE AND RISK

19.1 Subject to Clause 19.2, title to, copyright in and ownership of all things created under or arising out of the PURCHASE ORDER, including drawings, specifications, calculations, reports, data, software and other documents, shall vest in OHI as soon as their preparation, production or creation commences.

19.2 Title to, copyright in and ownership of any items developed by the SUPPLIER outside the PURCHASE ORDER, or which the SUPPLIER provides and which are merely supplemented, enhanced or adapted in the course of the PURCHASE ORDER, shall remain with the SUPPLIER. The SUPPLIER hereby grants to the OHI GROUP and the CLIENT a non-exclusive, irrevocable, royalty-free right to use such items (including software and TECHNICAL INFORMATION provided by the SUPPLIER) for the life of the PERMANENT WORK for the purposes of its construction, operation, maintenance, repair and modification. Such right may be transferred to any successor or CLIENT.

19.3 OHI shall retain title to all OHI-provided items and information, including TECHNICAL INFORMATION, materials and equipment.

19.4 All equipment, materials and supplies provided by the SUPPLIER for incorporation into the PERMANENT WORK shall become the property of OHI upon delivery to the WORKSITE or payment by OHI, whichever is the earlier.

19.5 The SUPPLIER shall ensure that all items the title to which passes to OHI are free from all liens, charges, encumbrances and retention of title claims of any third party.

19.6 Title to any items provided by the SUPPLIER which are rejected by OHI shall re-vest in the SUPPLIER upon rejection, and risk in such items shall re-vest in the SUPPLIER upon notice of rejection.

19.7 All items owned by any member of the OHI GROUP in the possession of the SUPPLIER GROUP shall be clearly marked as the property of OHI and, as far as possible, segregated from other property, and shall be held by the SUPPLIER GROUP at its risk as bailee for OHI.

20.0 PATENTS AND OTHER PROPRIETARY RIGHTS

20.1 Neither PARTY shall have the right to use, other than for the purposes of the PURCHASE ORDER, any patent, copyright, proprietary right, confidential know-how, trademark or process provided by the other PARTY, and the intellectual property rights in the same shall remain with the PARTY providing them.

20.2 Any intellectual property rights arising from developments by the SUPPLIER GROUP based wholly on data, equipment, processes and the like in its possession before the PURCHASE ORDER, or produced outside the PURCHASE ORDER, or from enhancements of its existing intellectual property, shall vest in the SUPPLIER or the relevant member of the SUPPLIER GROUP. The corresponding rights arising from developments by the OHI GROUP shall vest in OHI or the relevant member of the OHI GROUP.

20.3 The SUPPLIER shall save, indemnify, defend and hold harmless the OHI GROUP and the CLIENT from all claims, losses, damages, costs (including legal costs), expenses and liabilities of every kind arising out of any actual or alleged infringement of any patent, copyright, design, trademark or other proprietary or protected right arising out of or in connection with the SERVICES or the SUPPLIER's performance of the PURCHASE ORDER, except where such infringement necessarily arises from the TECHNICAL INFORMATION or OHI's instructions. The SUPPLIER shall inform OHI immediately upon becoming aware of any actual or possible infringement.

20.4 OHI shall save, indemnify, defend and hold harmless the SUPPLIER GROUP from all claims, losses, damages, costs (including legal costs), expenses and liabilities arising out of any alleged infringement of any proprietary right which necessarily arises from the SUPPLIER's use, in accordance with the PURCHASE ORDER, of TECHNICAL INFORMATION or of materials or equipment provided by OHI.

21.0 COMPLIANCE WITH LAWS, IN-COUNTRY VALUE AND OMANISATION

21.1 The SUPPLIER shall comply, and shall ensure that the SUPPLIER GROUP complies, with all APPLICABLE LAW, including laws relating to labour, Omanisation, social insurance, immigration, health and safety, environment, customs, import and export controls, sanctions, competition, personal data protection and anti-bribery.

21.2 The SUPPLIER shall obtain and maintain at its own cost all commercial registrations, licences, permits and authorisations required by APPLICABLE LAW for the performance of the PURCHASE ORDER, save to the extent that the same can only legally be obtained by OHI. Regulatory fees for all inspections and approvals shall be deemed to be included in the PRICE unless otherwise specified.

21.3 Any change or addition required to meet the requirements of a COMPETENT AUTHORITY in force at the date of the PURCHASE ORDER shall be carried out by the SUPPLIER and is deemed to be included in the PRICE. Inspection or acceptance by a COMPETENT AUTHORITY shall not relieve the SUPPLIER of any of its responsibilities under the PURCHASE ORDER.

21.4 The SUPPLIER shall comply with the Omanisation percentages applicable to its activities under APPLICABLE LAW and with any In-Country Value (ICV) commitments, local content requirements or reporting obligations set out in the PURCHASE ORDER or flowed down from the CLIENT, and shall provide such information and evidence of compliance as OHI may reasonably request.

21.5 The SUPPLIER shall not supply any SERVICES, or any component of them, which originate from, or involve any person subject to, sanctions or trade restrictions imposed under APPLICABLE LAW, and shall notify OHI immediately if it becomes aware of any such matter.

22.0 INDEMNITIES

22.1 The SUPPLIER shall be responsible for and shall save, indemnify, defend and hold harmless the OHI GROUP from and against all claims, losses, damages, costs (including legal costs), expenses and liabilities in respect of:

(a) loss of or damage to property of the SUPPLIER GROUP, whether owned, hired, leased or otherwise provided by the SUPPLIER GROUP (including all tools, equipment, vehicles and consumables of the SUPPLIER GROUP), arising from, relating to or in connection with the performance or non-performance of the PURCHASE ORDER;

(b) personal injury including death or disease to any person employed or engaged by the SUPPLIER GROUP arising from, relating to or in connection with the performance or non-performance of the PURCHASE ORDER; and

(c) subject to any other express provisions of the PURCHASE ORDER, personal injury including death or disease, or loss of or damage to the property, of any third party to the extent that any such injury, loss or damage is caused by the negligence or breach of duty (whether statutory or otherwise) of the SUPPLIER GROUP. For the purposes of this Clause "third party" means any party which is not a member of the OHI GROUP or the SUPPLIER GROUP.

22.2 OHI shall be responsible for and shall save, indemnify, defend and hold harmless the SUPPLIER GROUP from and against all claims, losses, damages, costs (including legal costs), expenses and liabilities in respect of:

(a) loss of or damage to property of the OHI GROUP, whether owned by or leased to the OHI GROUP, arising from, relating to or in connection with the performance or non-performance of the PURCHASE ORDER, but excluding the PERMANENT WORK prior to the issue of the HANDOVER CERTIFICATE or COMPLETION CERTIFICATE (as applicable);

(b) personal injury including death or disease to any person employed by the OHI GROUP arising from, relating to or in connection with the performance or non-performance of the PURCHASE ORDER; and

(c) subject to any other express provisions of the PURCHASE ORDER, personal injury including death or disease, or loss of or damage to the property, of any third party to the extent that any such injury, loss or damage is caused by the negligence or breach of duty (whether statutory or otherwise) of the OHI GROUP.

22.3 Without limitation to the SUPPLIER's other obligations, the SUPPLIER shall be responsible for the care, custody and control of any portion of the PERMANENT WORK on which it is performing

activities, and of the SERVICES, from acceptance of the PURCHASE ORDER until the date of the HANDOVER CERTIFICATE or the COMPLETION CERTIFICATE, whichever is the earlier. In the event of loss or damage before such date, the SUPPLIER shall, if instructed by OHI, reconstruct, repair or replace the same at its own cost, save where such loss or damage was caused solely by the OHI GROUP.

22.4 Except as provided in Clauses 22.1 (a) and (b), OHI shall save, indemnify, defend and hold harmless the SUPPLIER GROUP from and against any claim of whatsoever nature arising from pollution or contamination originating from the property or reservoirs of the OHI GROUP arising from, relating to or in connection with the performance or non-performance of the PURCHASE ORDER.

22.5 Except as provided in Clauses 22.2 (a) and (b), the SUPPLIER shall save, indemnify, defend and hold harmless the OHI GROUP from and against any claim of whatsoever nature arising from pollution or contamination occurring on the premises of the SUPPLIER GROUP or originating from the property, equipment, vehicles or materials of the SUPPLIER GROUP (including the SERVICES while in the care, custody or control of the SUPPLIER GROUP), arising from, relating to or in connection with the performance or non-performance of the PURCHASE ORDER.

22.6 All exclusions and indemnities given under this Clause 22 (save for those under Clauses 22.1 (c) and 22.2 (c)) shall apply irrespective of cause and notwithstanding the negligence or breach of duty (whether statutory or otherwise) of the indemnified party or any other entity or party, and shall apply irrespective of any claim in tort, under contract or otherwise at law.

22.7 If either PARTY becomes aware of any incident likely to give rise to a claim under the above indemnities, it shall notify the other and both PARTIES shall co-operate fully in investigating the incident.

22.8 The indemnities given under the PURCHASE ORDER are full and primary and shall apply irrespective of whether the indemnified party has insurance in place relating to the subject matter of the indemnity.

22.9 The indemnities given under the PURCHASE ORDER shall not extend to criminal sanctions or fines imposed upon the indemnified party, to the extent that it is unlawful to indemnify against them under APPLICABLE LAW.

22.10 Each member of the OHI GROUP shall be entitled to the benefit of the indemnities given by the SUPPLIER under the PURCHASE ORDER, which OHI may enforce on its behalf in accordance with Clause 38.5.

23.0 INSURANCE

23.1 The SUPPLIER shall, at its own cost, arrange and maintain as a minimum the insurances set out in this Clause and those required under APPLICABLE LAW, in full force and effect throughout the life of the PURCHASE ORDER, with reputable insurers licensed to operate in the Sultanate of Oman (or otherwise acceptable to OHI).

23.2 To the extent of the liabilities assumed by the SUPPLIER under the PURCHASE ORDER, all such insurances (other than employer's liability/workmen's compensation) shall name OHI and the other members of the OHI GROUP as additional insureds, and all insurances shall be endorsed to provide that the insurers waive all rights of subrogation against the OHI GROUP. Where possible, the insurances shall provide that OHI shall be given not less than thirty (30) days' notice of cancellation or material change.

23.3 The insurances required under this Clause shall include, to the extent relevant to the SERVICES:

(a) employer's liability and/or workmen's compensation insurance covering personal injury to or death of the employees of the SUPPLIER, in accordance with APPLICABLE LAW (including any extension required for offshore work) and for not less than any amount stated in the PURCHASE ORDER;

(b) general third-party liability insurance in an amount of not less than US$2,000,000 (two million United States Dollars) for any one occurrence, or such other amount as is stated in the PURCHASE ORDER;

(c) motor vehicle insurance, including third-party liability, for all vehicles used in connection with the PURCHASE ORDER, as required by APPLICABLE LAW;

(d) such further insurances as are set out in the PURCHASE ORDER or as required by applicable law.

23.4 The SUPPLIER shall provide OHI with certificates of insurance on demand. The SUPPLIER shall procure that its SUB-SUPPLIERS are insured to appropriate levels relevant to their work.

23.5 The provisions of this Clause shall in no way limit the liability of the SUPPLIER under the PURCHASE ORDER.

24.0 CONSEQUENTIAL LOSS

24.1 For the purposes of this Clause "Consequential Loss" means (i) any indirect or consequential loss; and (ii) whether direct or indirect, any loss and/or deferral of production, loss of product, loss of use, loss of revenue, profit or anticipated profit, loss of business or business interruption, in each case whether or not foreseeable at the date of the PURCHASE ORDER.

24.2 Notwithstanding any provision to the contrary elsewhere in the PURCHASE ORDER, the SUPPLIER shall save, indemnify, defend and hold harmless the OHI GROUP from the SUPPLIER GROUP's own Consequential Loss, arising from, relating to or in connection with the performance or non-performance of the PURCHASE ORDER.

24.3 All exclusions and indemnities given under this Clause shall apply irrespective of cause and notwithstanding the negligence or breach of duty (whether statutory or otherwise) of the indemnified party or any other entity or party, and shall apply irrespective of any claim in tort, under contract or otherwise at law.

25.0 CONFIDENTIALITY AND DATA PROTECTION

25.1 The SUPPLIER shall not, without the prior written agreement of OHI:

(a) make any publicity release or announcement, or use the name or logo of any member of the OHI GROUP or the CLIENT, concerning the PURCHASE ORDER or its subject matter; or

(b) except as necessary to perform its obligations under the PURCHASE ORDER, use, reproduce, copy or disclose to any third party any information (including drawings, data, prices and software) which is provided to the SUPPLIER by or on behalf of any member of the OHI GROUP or the CLIENT, which vests in OHI in accordance with the PURCHASE ORDER, or which the SUPPLIER prepares in connection with the SERVICES.

25.2 The obligations in this Clause shall not apply to information which:

(a) is or becomes part of the public domain other than through a breach of the PURCHASE ORDER;

(b) was lawfully in the possession of the SUPPLIER before the PURCHASE ORDER without any obligation of confidentiality;

(c) is lawfully received from a third party who is under no obligation of confidentiality; or

(d) is required to be disclosed by APPLICABLE LAW, a COMPETENT AUTHORITY or the rules of any relevant stock exchange, provided that the SUPPLIER gives OHI prompt notice where lawful to do so.

25.3 The SUPPLIER shall ensure that the provisions of this Clause are incorporated in each subcontract and that the officers, employees and agents of the SUPPLIER GROUP comply with them. The obligations under this Clause shall survive for five (5) years after completion or termination of the PURCHASE ORDER.

25.4 Where the SUPPLIER processes any personal data on behalf of any member of the OHI GROUP, it shall do so only for the purposes of the PURCHASE ORDER, in accordance with OHI's instructions and the Personal Data Protection Law of the Sultanate of Oman promulgated by Royal Decree No. 6/2022 and other APPLICABLE LAW, and shall implement appropriate technical and organisational security measures.

26.0 HANDOVER AND COMPLETION

26.1 When the SUPPLIER considers the whole or a relevant part of the SERVICES to be ready for handover to the care, custody and control of OHI, the SUPPLIER shall so notify OHI and request the issue of a HANDOVER CERTIFICATE. If OHI is satisfied that the relevant part is ready for handover, it shall issue a HANDOVER CERTIFICATE and the relevant part of any PERMANENT WORK shall be handed over to OHI as of the date specified in the certificate.

26.2 When the SUPPLIER considers that the whole of the SERVICES, or any part for which a separate completion date is included in the PROGRAMME, has been completed and has satisfactorily passed any final test prescribed in the PURCHASE ORDER, the SUPPLIER shall so notify OHI and request the issue of a COMPLETION CERTIFICATE.

26.3 OHI shall, as soon as reasonably practicable, either issue a COMPLETION CERTIFICATE in respect of the whole or the relevant part of the SERVICES, or notify the SUPPLIER of any defects arising from the SUPPLIER's default, specifying the nature of each defect and the obligations which the SUPPLIER has failed to meet. Should OHI fail to do either within thirty (30) days of receipt of the SUPPLIER's notice, a COMPLETION CERTIFICATE shall be deemed to have been issued on the expiry of that period.

26.4 The SUPPLIER shall promptly correct all notified defects and shall again notify OHI on completion of such correction. If the SUPPLIER fails to correct the defects, OHI may undertake the SUPPLIER's responsibilities and recover all costs incurred from the SUPPLIER.

26.5 On completion of the SERVICES or any part of them, the SUPPLIER shall without delay remove all equipment, materials and debris of the SUPPLIER GROUP and leave the WORKSITE in a clean, clear, safe and tidy condition.

27.0 WARRANTY AND DEFECTS CORRECTION

27.1 The SUPPLIER warrants and guarantees that the SERVICES shall be provided in accordance with the PURCHASE ORDER, and shall be free from defects in design (to the extent of the SUPPLIER's responsibility), materials and workmanship.

27.2 If, prior to or within twenty-four (24) months after the COMPLETION DATE, or such other period as is specified in the PURCHASE ORDER (the "Defects Correction Period"), OHI notifies the SUPPLIER of any defect in the SERVICES, the SUPPLIER shall, subject to the operational requirements of OHI, promptly repair, replace or re-perform the defective SERVICES at no cost to OHI, including all costs of removal, transportation, reinstallation and re-testing.

27.3 A further Defects Correction Period of twelve (12) months shall apply to any part of the SERVICES which is repaired, replaced or re-performed, commencing from the date of completion of such repair, replacement or re-performance, provided that the cumulative Defects Correction Period shall not exceed twenty-four (24) months from the COMPLETION DATE, or such other period as is stated in the PURCHASE ORDER.

27.4 If OHI decides that correction of a defect by the SUPPLIER would be prejudicial to its interests, or if the SUPPLIER fails to commence correction within seven (7) days of notification (or immediately in an emergency), OHI may itself, or through a third party, correct the defect and recover from the SUPPLIER all costs reasonably incurred.

27.5 The warranties in this Clause shall extend to and be enforceable by each member of the OHI GROUP, the CLIENT and their successors and assigns, and are in addition to any other warranties, conditions or rights implied by APPLICABLE LAW. The SUPPLIER shall assign to OHI, or hold for OHI's benefit, the benefit of any manufacturer's or SUB-SUPPLIER's warranties to the extent that they exceed those given by the SUPPLIER.

28.0 LIQUIDATED DAMAGES

28.1 If the SUPPLIER fails to achieve the COMPLETION DATE, or any other time-based milestone specified in the PURCHASE ORDER, the SUPPLIER shall pay OHI liquidated damages at the rate of one per cent (1%) of the PRICE for each week (or part thereof) of delay, up to a maximum of ten per cent (10%) of the PRICE, or such other rate and maximum as is stated in the PURCHASE ORDER.

28.2 The PARTIES agree that such liquidated damages are a genuine pre-estimate of the loss OHI is likely to suffer and are not a penalty. OHI may deduct liquidated damages from any sums due to the SUPPLIER.

28.3 Payment of liquidated damages shall be OHI's sole financial remedy for the SUPPLIER's delay in achieving the relevant date(s), save where OHI terminates the PURCHASE ORDER for default. Payment of liquidated damages shall not relieve the SUPPLIER of its obligation to complete the PURCHASE ORDER or of any other liability under it.

29.0 TERMINATION

29.1 OHI shall have the right, by notice to the SUPPLIER, to terminate the whole or any part of the PURCHASE ORDER at such time or times as OHI may consider necessary for any of the following reasons:

(a) to suit the convenience of OHI or the CLIENT;

(b) subject only to Clause 29.2, in the event of any default on the part of the SUPPLIER, including failure to meet HSE requirements, breach of Clauses 32 or 33, or accumulation of liquidated damages to the maximum amount; or

(c) in the event of the SUPPLIER becoming bankrupt or insolvent, making a composition or arrangement with its creditors, having a winding-up or liquidation order made against it, passing a resolution for voluntary winding-up (except for the purposes of amalgamation or reconstruction), having a receiver, administrator, liquidator or manager appointed over any of its business or assets, or any equivalent act or event occurring under APPLICABLE LAW (including the Bankruptcy Law of the Sultanate of Oman), or ceasing or threatening to cease to carry on business.

29.2 In the event of default on the part of the SUPPLIER and before OHI issues a notice of termination, OHI shall give notice of default to the SUPPLIER giving details of the default. If the SUPPLIER does not, within seven (7) days of receipt of such notice (or such longer period as OHI may specify), commence and thereafter continuously proceed with action satisfactory to OHI to remedy the default, OHI may issue a notice of termination with immediate effect. No notice of default shall be required where the default is incapable of remedy or involves a breach of Clause 33.

29.3 Upon receipt of a notice of termination, which shall be effective on the date specified in it (or, if none, on receipt), the SUPPLIER shall immediately:

(a) cease performance of the SERVICES or the part specified in the notice;

(b) allow OHI or its nominee full access to the WORKSITE and the SUPPLIER's premises to remove and/or take over the relevant part of the SERVICES so far completed, together with all materials and equipment which are the property of OHI;

(c) assign to OHI or its nominee, to the extent required by OHI, all rights, titles and subcontracts relating to the SERVICES; and

(d) except as required above, remove its equipment and materials from the WORKSITE unless otherwise instructed by OHI.

Within thirty (30) days of the effective date of termination, the SUPPLIER shall deliver to OHI all TECHNICAL INFORMATION and all drawings, specifications, calculations, programmes, data and other documents prepared by the SUPPLIER GROUP in connection with the PURCHASE ORDER.

29.4 In the event of termination for convenience under Clause 29.1 (a), the SUPPLIER shall be entitled to payment for the part of the SERVICES performed in accordance with the PURCHASE ORDER up to the date of termination, together with such other payments as may be set out in the PURCHASE ORDER or, in the absence of such provisions, the reasonable and verifiable direct costs of demobilisation and of committed materials which cannot be cancelled, as agreed between the PARTIES. The SUPPLIER shall not be entitled to any loss of profit or other compensation in respect of the terminated part of the SERVICES.

29.5 In the event of termination under Clause 29.1 (b) or (c), OHI may complete the SERVICES itself or through other sources, and:

(a) the SUPPLIER shall cease to be entitled to receive any further payment until the costs of completion and all other costs arising from the termination have been ascertained;

(b) thereafter, and subject to any deductions under the PURCHASE ORDER, the SUPPLIER shall be entitled to payment only for the part of the SERVICES properly performed up to the date of termination; and

(c) any additional costs reasonably incurred by OHI as a result of the SUPPLIER's default or the events giving rise to termination shall be recoverable from the SUPPLIER.

29.6 The termination of the PURCHASE ORDER, in whole or in part, shall not affect any rights or liabilities of the PARTIES accrued up to the date of termination. The provisions of Clauses 2, 18, 19, 20, 22, 23, 24, 25, 27, 30, 31, 32, 33, 34, 35, 36, 38 and 39, together with any other provisions which by their nature are intended to survive, shall remain in full force and effect after termination or expiry of the PURCHASE ORDER.

30.0 AUDIT AND RECORD KEEPING

30.1 During the performance of the PURCHASE ORDER and for a period ending five (5) years after COMPLETION, OHI, the CLIENT or their duly authorised representatives shall have the right to audit at all reasonable times, and take copies of, all records (howsoever stored), books, accounts, personnel records, correspondence, receipts, vouchers and other papers of the SUPPLIER relating to:

(a) all invoiced charges made by the SUPPLIER to OHI;

(b) any provision of the PURCHASE ORDER under which the SUPPLIER has obligations the performance of which is capable of verification by audit.

OHI shall not be entitled to investigate the make-up of fixed rates and lump sums in the PURCHASE ORDER except to the extent necessary for the proper evaluation of any VARIATION or claim.

30.2 The SUPPLIER shall co-operate fully with OHI and its representatives in any audit. OHI will conduct any audit in a manner that keeps inconvenience to the SUPPLIER to a reasonable minimum.

30.3 The SUPPLIER shall obtain equivalent rights of audit from all SUB-SUPPLIERS and shall cause such rights to extend to OHI.

30.4 The PARTIES shall keep all documents and data, howsoever stored, related to the PURCHASE ORDER for a period of not less than six (6) years after completion or termination of the PURCHASE ORDER, or such longer period as required by APPLICABLE LAW.

31.0 LIENS

31.1 The SUPPLIER shall not claim or exercise any lien, attachment or retention right over any materials, documents, PERMANENT WORK or any property of the OHI GROUP in the possession of the SUPPLIER GROUP or at the WORKSITE.

31.2 The SUPPLIER shall save, indemnify, defend and hold harmless the OHI GROUP from and against all liens or attachments by any SUB-SUPPLIER or other person claiming through the SUPPLIER in connection with the PURCHASE ORDER, and shall immediately notify OHI of any possible lien or attachment.

31.3 If at any time there is evidence of any lien or attachment to which, if established, any member of the OHI GROUP or its property might be subjected, OHI shall have the right, after giving the SUPPLIER a reasonable opportunity to demonstrate that the claim is unenforceable or adequately secured, to withhold and/or set off such sum as will fully indemnify the OHI GROUP against it.

32.0 BUSINESS ETHICS, CONFLICTS OF INTEREST AND SANCTIONS

32.1 Both PARTIES shall uphold the highest standards of business ethics in the performance of the PURCHASE ORDER. Honesty, fairness and integrity shall be paramount principles in the dealings between the PARTIES.

32.2 The SUPPLIER shall comply with OHI's Code of Conduct, Supplier Code of Conduct and Ethics Policy (as notified to the SUPPLIER and amended from time to time) and with any ethics or conduct requirements of the CLIENT flowed down in the PURCHASE ORDER.

32.3 Neither PARTY shall knowingly engage in any business, or use any information arising from the PURCHASE ORDER, in any manner which conflicts with the interests of the other PARTY. The SUPPLIER shall disclose immediately to OHI any actual or potential conflict of interest, including any family, financial or business relationship between any member of the SUPPLIER GROUP and any employee or officer of the OHI GROUP or the CLIENT.

32.4 The SUPPLIER shall not offer or give any gift, hospitality, commission, fee or other benefit to any employee, officer or agent of the OHI GROUP or the CLIENT, other than items of nominal value given in accordance with OHI's policies.

32.5 The SUPPLIER shall not employ child labour or forced, bonded or trafficked labour, shall not retain the passports or identity documents of its workers, and shall respect human rights and fair labour practices in accordance with APPLICABLE LAW.

32.6 The SUPPLIER confirms its no-objection to any compliance, integrity, risk and/or sanctions review which may be conducted by or on behalf of OHI from time to time, including through a third party. Such review may include the SUPPLIER's shareholders, directors and ultimate beneficial owners and shall remain confidential.

33.0 ANTI-BRIBERY AND CORRUPTION

33.1 Each PARTY warrants and represents that in negotiating and concluding the PURCHASE ORDER it has complied, and in performing its obligations under the PURCHASE ORDER it has complied and shall comply, with all APPLICABLE ANTI-BRIBERY LAWS.

33.2 The SUPPLIER warrants that it has an anti-bribery and corruption programme setting out adequate procedures to comply with APPLICABLE ANTI-BRIBERY LAWS, that it will comply with such programme and with OHI's Anti-Bribery and Corruption Policy in respect of the PURCHASE ORDER, and that it will ensure that the SUPPLIER GROUP does the same.

33.3 Subject to Clause 30, on provision of not less than thirty (30) days' notice, OHI or its duly authorised representatives shall have the right to audit, at OHI's cost, the existence, content and implementation of the SUPPLIER's anti-bribery and corruption programme, excluding documents that are legally privileged.

33.4 Where legally able to do so, and subject to any request by a COMPETENT AUTHORITY not to notify, each PARTY shall notify the other in writing immediately upon becoming aware of any investigation or proceedings initiated by a COMPETENT AUTHORITY relating to an alleged breach of APPLICABLE ANTI-BRIBERY LAWS in connection with the PURCHASE ORDER, or upon having a reasonable belief that such a breach may have occurred, and shall keep the other PARTY informed of the progress and findings of such investigation and any remedial measures.

33.5 If OHI has a reasonable belief that the SUPPLIER has breached this Clause 33, OHI may give notice of its intention to suspend payments, giving the basis of such belief. If within seven (7) days the SUPPLIER neither provides information reasonably satisfactory to OHI to refute such

belief nor commences action reasonably satisfactory to OHI to remedy the suspected breach, OHI may suspend with immediate effect any payments due to the SUPPLIER (other than sums which the SUPPLIER can reasonably substantiate as unconnected with the suspected breach) and/or terminate the PURCHASE ORDER in accordance with Clause 29.1 (b) without further notice.

33.6 Where the PURCHASE ORDER is terminated under Clause 33.5, the SUPPLIER shall not be entitled to payment of any sums connected with the breach, and OHI shall be entitled to recover from the SUPPLIER any additional costs reasonably incurred as a result. Provided that OHI had a reasonable belief at the time of termination, OHI shall not be in breach of the PURCHASE ORDER even if it later transpires that no breach occurred, in which case the SUPPLIER shall be entitled to payment of any sums properly due which were retained.

34.0 LIMITATION OF LIABILITY

34.1 Subject to Clause 34.2, the SUPPLIER's total cumulative liability to the OHI GROUP arising out of or in connection with the PURCHASE ORDER shall be limited to the amount specified in the PURCHASE ORDER or, in the absence of such amount, one hundred and fifty per cent (150%) of the PRICE.

34.2 The limitation in Clause 34.1 shall not apply to:

(a) liabilities of the SUPPLIER under Clauses 18, 20, 23, 25 and 31;

(b) any indemnity given by the SUPPLIER under Clause 22;

(c) liability arising from the fraud, wilful misconduct or gross negligence of the SUPPLIER GROUP, or from breach of Clauses 32 or 33; or

(d) any liability which cannot be limited under APPLICABLE LAW.

34.3 The SUPPLIER's liability under the PURCHASE ORDER shall cease at the end of the Defects Correction Period under Clause 27, save in respect of claims notified before that date and save for the liabilities and indemnities referred to in Clause 34.2, which shall continue for the period permitted by APPLICABLE LAW.

34.4 Any exclusion or limitation of liability under the PURCHASE ORDER shall apply to liability in contract, tort (including negligence), breach of statutory duty or otherwise at law. Any limitation of liability given by OHI to the SUPPLIER shall extend to the AFFILIATES of the SUPPLIER, and any limitation of the SUPPLIER's liability shall represent the fee paid in the past 3 month by OHI to the Supplier.

34.5 Subject to Clause 24, this Clause 34 shall apply notwithstanding any provision to the contrary elsewhere in the PURCHASE ORDER.

35.0 GOVERNING LAW AND LANGUAGE

35.1 The PURCHASE ORDER, and any non-contractual rights and obligations arising out of or in connection with it or its subject matter, shall be governed by and construed in accordance with the laws of the Sultanate of Oman.

35.2 The ruling language of the PURCHASE ORDER shall be English. Where the PURCHASE ORDER or any document relating to it is translated into Arabic or any other language, the English version shall prevail to the extent permitted by APPLICABLE LAW.

36.0 RESOLUTION OF DISPUTES

36.1 Any dispute, controversy or claim between the SUPPLIER and OHI (or any other member of the OHI GROUP) arising out of or in connection with the PURCHASE ORDER or the SERVICES, including any question regarding its existence, validity, interpretation, performance, breach or termination and any non-contractual obligations arising out of or in connection with it (a "Dispute"), shall first be referred, by written notice containing the information set out in Clause 36.7 and served in accordance with Clause 38.4, to the OHI REPRESENTATIVE and the SUPPLIER REPRESENTATIVE, who shall meet and make all reasonable efforts to resolve the Dispute amicably.

36.2 If the Dispute is not resolved within twenty-one (21) days of service of the notice under Clause 36.1, either PARTY may refer the Dispute by written notice to a senior executive of each PARTY with authority to settle the Dispute, who shall meet (in person or virtually) within fourteen (14) days of such notice in a good faith attempt to resolve it. The PARTIES may also agree to refer the Dispute to mediation or another form of alternative dispute resolution.

36.3 If the Dispute is not resolved within twenty-eight (28) days of service of the notice under Clause 36.2 (or such longer period as the PARTIES may agree in writing), the Dispute shall be referred to and finally resolved by arbitration under the Rules of Arbitration of the International Chamber of Commerce ("ICC Rules") in force at the date of commencement of the arbitration, which ICC Rules are deemed to be incorporated by reference into this Clause, and in accordance with the following:

(a) the seat, or legal place, of the arbitration shall be Muscat, Sultanate of Oman;

(b) the language to be used in the arbitral proceedings shall be English, and any documents submitted in another language shall be accompanied by an English translation;

(c) the arbitral tribunal shall consist of arbitrator(s) appointed in accordance with the ICC Rules, save that where the Expedited Procedure Provisions of the ICC Rules apply, or where the PARTIES so agree, the tribunal shall consist of a sole arbitrator;

(d) the law governing the PURCHASE ORDER and the arbitration agreement shall be the laws of the Sultanate of Oman, and the Omani Arbitration Law promulgated by Royal Decree No. 47/97 (as amended) shall apply to the extent not inconsistent with the ICC Rules;

(e) the award of the arbitral tribunal shall be final and binding on the PARTIES, and the PARTIES undertake to carry out any award without delay and waive any right to any form of recourse or appeal against the award, insofar as such waiver can validly be made under APPLICABLE LAW; and

(f) judgment on the award may be entered and enforced by any court having jurisdiction, including under the Convention on the Recognition and Enforcement of Foreign Arbitral Awards (New York, 1958).

36.4 This Clause 36 shall apply to all PURCHASE ORDERS issued by OHI Co SAOC and by every other member of the OHI GROUP. Any member of the OHI GROUP which is a party to, or which claims or is claimed against in connection with, a PURCHASE ORDER may commence, be joined in or participate in any arbitration under this Clause, and the SUPPLIER consents to the joinder of any member of the OHI GROUP and to the consolidation of arbitrations arising under PURCHASE ORDERS between the SUPPLIER and one or more members of the OHI GROUP, in accordance with the ICC Rules.

36.5 Nothing in this Clause shall prevent either PARTY from applying to the Emergency Arbitrator under the ICC Rules, or to any competent court, for interim or conservatory measures (including injunctive relief or orders for the preservation of evidence or assets) before or during the arbitration, and such application shall not be deemed a waiver of the agreement to arbitrate.

36.6 The existence and content of the arbitral proceedings and any award shall be kept confidential by the PARTIES, save to the extent that disclosure is required by APPLICABLE LAW, to enforce or challenge an award, or to a CLIENT, insurer or professional adviser under a duty of confidentiality.

36.7 Where any Dispute, claim or counterclaim is notified, the PARTY making it shall ensure that the notice contains, without limitation:

(a) a clear summary of the facts on which the claim is based;

(b) the basis on which the claim is made, including the principal contractual and/or statutory provisions relied on;

(c) the nature and amount of the relief claimed; and

(d) where the claim has previously been made and rejected, the reasons why the PARTY considers it to have been wrongly rejected.

36.8 Pending resolution of any Dispute, the SUPPLIER shall continue to perform the SERVICES with due diligence, and both PARTIES shall continue to comply with all the provisions of the PURCHASE ORDER. OHI shall continue to pay undisputed amounts in accordance with Clause 17.

37.0 HEALTH, SAFETY, SECURITY AND ENVIRONMENT

37.1 OHI places prime importance on health, safety, security and environment ("HSSE") and requires the SUPPLIER GROUP to subscribe to and actively pursue the highest standards of HSSE performance.

37.2 The SUPPLIER shall take full responsibility for the adequacy, stability and safety of all its operations and methods, and shall comply strictly with APPLICABLE LAW relating to HSSE, any HSSE requirements in the PURCHASE ORDER or the TECHNICAL INFORMATION, and all HSSE policies, procedures, permit-to-work systems, site rules and instructions of OHI and the CLIENT.

37.3 Failure to meet the HSSE requirements of the PURCHASE ORDER, or to satisfy OHI's reasonable requirements with regard to the control of HSSE risks, in any material respect shall constitute a default entitling OHI to suspend the SERVICES under Clause 16 and/or to terminate the PURCHASE ORDER under Clause 29.1 (b).

37.4 The SUPPLIER shall co-operate with OHI in responding to any emergency at the WORKSITE and shall immediately take such action as may be necessary to protect life and make safe property in imminent peril.

37.5 When making deliveries to, or working at, any premises owned, leased, occupied or controlled by any member of the OHI GROUP or the CLIENT, the SUPPLIER shall act in a safe, prudent and responsible manner consistent with its duty of care to its personnel and those of its SUB-SUPPLIERS, and shall obey all site safety and security instructions without exception.

37.6 The SUPPLIER's personnel and vehicles shall not be mobilised to or from any WORKSITE without the prior written permission of OHI and unless they are in full compliance with applicable OHI and CLIENT HSSE standards, including in-vehicle monitoring systems, journey management and driver certification requirements where applicable.

37.7 The SUPPLIER shall provide, at its own expense, all personal protective equipment required for its personnel, including as a minimum safety helmets, safety footwear, safety glasses, gloves and high-visibility or flame-retardant clothing as required by OHI or the CLIENT.

37.8 Drivers and operators of the SUPPLIER GROUP shall be responsible for the safety of their vehicles, equipment and loads, including the use of appropriate load restraints, and shall carry out a documented pre-use inspection before commencing any journey or operation.

37.9 Any fines, penalties or warnings imposed on any member of the OHI GROUP as a result of any HSSE, road safety, environmental or regulatory non-compliance by the SUPPLIER GROUP shall be for the sole account of the SUPPLIER and may be deducted from sums due to the SUPPLIER.

37.10 The SUPPLIER shall be responsible for the proper management and lawful disposal of all waste generated by the SUPPLIER GROUP, in accordance with APPLICABLE LAW and the requirements of the Environment Authority of the Sultanate of Oman.

38.0 GENERAL LEGAL PROVISIONS

38.1 WAIVER

None of the terms of the PURCHASE ORDER shall be considered to be waived by either PARTY unless the waiver is given in writing. No failure or delay by either PARTY to enforce any term of the PURCHASE ORDER shall constitute a waiver of that term.

38.2 RETENTION OF RIGHTS

Subject to Clauses 22 and 34, and unless otherwise specifically stated in the PURCHASE ORDER, both PARTIES shall retain all rights and remedies, both under the PURCHASE ORDER and at law, which either may have against the other. The SUPPLIER shall not be relieved of any liability or obligation under the PURCHASE ORDER by any review, approval, authorisation or acknowledgement by OHI.

38.3 INDEPENDENT CONTRACTOR

The SUPPLIER shall act as an independent contractor with respect to the SERVICES and shall exercise control, supervision, management and direction as to the method and manner of obtaining the results required by OHI. Nothing in the PURCHASE ORDER shall create a partnership, joint venture, agency or employment relationship between the PARTIES.

38.4 NOTICES

All formal notices in respect of the PURCHASE ORDER shall be given in writing and delivered by hand, by courier, by registered post or by e-mail to the relevant address specified in the PURCHASE ORDER (or such other address as a PARTY may notify in writing). Such notices shall be effective: (a) if delivered by hand, at the time of delivery; (b) if sent by courier or registered post, forty-eight (48) hours after dispatch; and (c) if sent by e-mail, at the time of transmission, provided that no delivery failure notification is received and that any notice of termination or Dispute sent by e-mail is also sent by one of the other methods. Standard business correspondence may be exchanged by e-mail or through OHI's procurement system.

38.5 STATUS OF OHI AND OHI GROUP

OHI enters into the PURCHASE ORDER for itself and for the benefit of each member of the OHI GROUP, and:

(a) the SUPPLIER shall look only to the PURCHASING ENTITY for the due performance of the PURCHASE ORDER, and nothing in the PURCHASE ORDER shall impose any liability upon, or

entitle the SUPPLIER to commence any proceedings against, any member of the OHI GROUP other than the PURCHASING ENTITY;

(b) the PURCHASING ENTITY is entitled to enforce the PURCHASE ORDER on behalf of each member of the OHI GROUP as well as for itself, and may commence proceedings in its own name to enforce all obligations and liabilities of the SUPPLIER and to make any claim which any member of the OHI GROUP may have against the SUPPLIER; and

(c) all losses, damages, costs (including legal costs) and expenses recoverable by OHI under the PURCHASE ORDER or otherwise shall include those of each member of the OHI GROUP, subject to the same limitations and exclusions of liability as apply to OHI under the PURCHASE ORDER.

38.6 ENTIRE AGREEMENT AND AMENDMENT

The PURCHASE ORDER constitutes the entire agreement between the PARTIES with respect to its subject matter and supersedes all prior negotiations, representations and agreements, whether written or oral. No amendment to the PURCHASE ORDER shall be effective unless made in writing and signed by an authorised signatory of the PURCHASING ENTITY.

38.7 MITIGATION OF LOSS

Both PARTIES shall take all reasonable steps to mitigate any loss resulting from any breach of the PURCHASE ORDER by the other PARTY.

38.8 INVALIDITY AND SEVERABILITY

If any provision of the PURCHASE ORDER is found by any court, arbitral tribunal or COMPETENT AUTHORITY to be invalid or unenforceable, such invalidity or unenforceability shall not affect the other provisions of the PURCHASE ORDER, which shall remain in full force and effect. The PARTIES shall attempt to substitute for any invalid or unenforceable provision a valid and enforceable provision which achieves, to the greatest extent possible, the economic, legal and commercial objectives of the invalid or unenforceable provision.

38.9 THIRD PARTY RIGHTS

Save for the rights expressly conferred on members of the OHI GROUP and the CLIENT under the PURCHASE ORDER (which may be enforced in accordance with Clause 38.5), no person who is not a PARTY shall have any right to enforce any term of the PURCHASE ORDER.

38.10 ELECTRONIC EXECUTION

The PURCHASE ORDER may be issued, accepted and amended electronically, including through OHI's procurement system, and electronic signatures and acceptances shall be binding on the PARTIES to the extent permitted by APPLICABLE LAW, including the Electronic Transactions Law of the Sultanate of Oman.

39.0 ADDITIONAL CONDITIONS

39.1 The SUPPLIER and OHI agree that any ADDITIONAL CONDITIONS set out in or appended to the PURCHASE ORDER shall be treated as an integral part of the PURCHASE ORDER and shall, in the event of any conflict or ambiguity, take precedence over these General Conditions of Contract.

39.2 The SUPPLIER and OHI agree that the terms and conditions of any CLIENT contract referred to in the PURCHASE ORDER, to the extent expressly flowed down to the SUPPLIER, shall be treated as an integral part of the PURCHASE ORDER and shall, in the event of any conflict or ambiguity, take precedence in accordance with Clause 3.5.

39.3 In the event of any contradiction between these General Conditions of Contract, the SPECIFICATION and/or the HSSE requirements, the more stringent requirement shall apply.

This document is OHI-QMS-PRP-02 Appendix B to internal procedure 'OHI-QMS-COC-01: Purchasing'. These General Conditions of Contract apply to OHI Co SAOC and to all members of the OHI GROUP.
