Security Support Period	
Product Name	End of Security Update Support
HT-6766BEM	31 <sup>st</sup> December 2030
HT-6766BE	31 <sup>st</sup> December 2030
HT-6766BDM	31 <sup>st</sup> December 2030
ERO1BEM PRO	31 <sup>st</sup> December 2030
ERO1BE	31 <sup>st</sup> December 2030

**Note: Normally follow the above, special circumstances will be notified. If you would like to check the latest security updates, the support period, or confirm whether your device still receives security updates, please contact us.**

The vulnerability disclosure policy for the product please refer to below,

**Vulnerability Disclosure Policy**

We are committed to providing continuous security updates for our IoT products, including the latest security patches, vulnerability fixes, and other security improvements.

**Reporting Vulnerabilities**

If you discover a security vulnerability, you can report it to us via the following method: [Inquiry@heights-t.com](mailto:Inquiry@heights-t.com)

Please ensure your email includes at least the following information:

- Affected products and versions
- Detailed description of the vulnerability
- Information on any known exploits
- Disclosure plans
- Any additional relevant information (if applicable)

**Response Time**

We will respond within 7 calendar days of receiving your vulnerability report. Please note: Actual response times may vary depending on the risk level and complexity of the vulnerability.

For vulnerabilities reported via email, we will send you an acknowledgment notification and will provide continuous updates on the resolution progress via email until the issue is resolved.
