

**HIGH TO LOW
VOLTAGE**

Turn your Industrial Scrap into Cash!

High to Low Voltage is constantly in need of your surplus industrial scrap and surplus electrical equipment. Our facility specializes in the removal, disposal, and remediation of everything from electrical switchgear to dry and liquid-filled transformers and components.

Our team of technicians and buyers are experts in surplus industrial scrap and reconditioned equipment valuation. With the ability to respond to you and your team in HOURS and not days, we offer options for immediate compensation.

We Offer Personalized Solutions For

- ❶ Industrial Scrap Removal
- ❷ Industrial Scrap Disposal
- ❸ Purchase of Surplus Electrical Equipment
- ❹ Electrical Equipment Recycling
