

A NOTE FROM MANAGEMENT

Dear Residents,

☀️ **Community Appreciation**

- A big thank you to our wonderful residents for helping keep our community welcoming and friendly.
- We appreciate everyone who submits work orders promptly — it helps us serve you better!
- Shout-out to residents who maintain beautiful patios — you make our property shine.
- Warmer days are ahead — perfect time to enjoy our outdoor spaces!

Supporting our maintenance team:

We'd like to take a moment to recognize the incredible work our maintenance team does each day. They respond to work orders, handle urgent repairs, and help keep our community running smoothly. Without them, our work orders would not get done.

When a team member enters your home to complete a service request, we kindly ask that you treat them with the same respect and courtesy you would expect in return. A warm greeting, clear communication, and patience go a long way.

Our maintenance staff works hard to address every request as quickly and efficiently as possible. They are here to help, and your kindness makes a meaningful difference in their day.

Thank you for helping us maintain a positive and respectful community for everyone.

Pet policy:

Friendly reminder that pets must be on a leash on all times. We have been kind enough to give courtesy warnings, but please keep in mind this is a lease violation. After the first warning, the next will be a lease violation no exceptions.
