Action on equality, diversity and inclusion

Organisations taking part in The RACE Report are asked to detail the action taken internally to support equality, diversity and inclusion. The list of actions covers a breadth of areas and incorporates commonly recommended actions to support progression of equality, diversity and inclusion, but is not intended to be an exhaustive list. Neither is one action intended to be prioritised over another, and actions may not be applicable to all organisations.

No data submitted on action on equality, diversity and inclusion
