# Action on equality, diversity and inclusion

Organisations taking part in The RACE Report are asked to detail the action taken internally to support equality, diversity and inclusion. The list of actions covers a breadth of areas and incorporates commonly recommended actions to support progression of equality, diversity and inclusion, but is not intended to be an exhaustive list. Neither is one action intended to be prioritised over another, and actions may not be applicable to all organisations.

# Approach to equality, diversity and inclusion

“

Groundwork Greater Manchester is committed to encouraging equity in access to opportunities, diversity and inclusion in the workplace and all areas of its activities. We aim to create an environment in which personal differences and the contributions of all individuals are recognised and valued, so that they feel respected and able to give of their best. We fully support and will ensure compliance with all relevant legislation. We have appointed an Equity, Diversity and Inclusion (EDI) Management Group formed from representatives across the staff team who have responsibility for championing diversity and sharing good practise within teams, developing and monitoring performance against an annual action plan and providing support and challenge to the Senior Leadership Team and Board in relation to EDI issues. All managers must set an appropriate standard of behaviour, lead by example and ensure that those they manage adhere to the policy and promote our aims and objectives with regards to equity in access to opportunity, diversity and inclusion. All employees, volunteers and trustees have a general responsibility to behave in a non-discriminatory way and to comply with our EDI policy and promote the principles outlined within it to ensure equality for all.
