

Dying *with* Dignity

Tasmania (Inc)

MEMBERSHIP APPLICATION

We are an independent, non-profit advocacy organisation and are totally reliant on membership fees, donations and bequests for our funding.

Your membership helps us continue to protect end of life rights and your access to the voluntary assisted dying law we fought so hard to achieve in Tasmania.

We are also working on getting the Federal Communications Law amended to exempt states' VAD laws from prohibiting use of telehealth for VAD purposes.

We hope that you will support Dying with Dignity Tasmania Inc through your membership.
