24 - 26 OCTOBER 2023, PORTE DE
VERSAILLES, FRANCE

H→EIGHTS

Visit us in Booth #D7

We're excited to announce that we will be exhibiting at Network X this year on October 24-26 at Porte De Versailles, Paris.

We will be demonstrating a wide range of new innovative WiFi Services for the SmartHome

We will be excited to meet you and discuss how our Wi-Fi products and solutions can help you:

- Deliver **excellent user experience** with our advanced HomeGateways and WiFi Extenders
- Help you **retain and delight your customers** with superior WiFi connectivity
- Implement new Home WiFi Services that will **help you monetise your investment**
- **Size de opportunity for new services** that require high-bandwidth with low latency
- Be able to **differentiate from the competition**

Come and meet us
