Release me to the earth, to my eternal rest.

All I am I give to you,
remember me, my friends.

Release me to the sky, to fly so light and free,
All struggles past, all fears now gone,
be glad for me, my friends.

Release me to the trees, to ever flowing streams,
For here my spirit will live on,
find joy in life, my friends.

Release me through your tears, to horizons yet unknown,
I'll always be a part of you,
take courage now, my friends.

Release me in your love, let memories never die
My earthly walk now is over,
be at peace, my friends.
