A Life Well Lived

A life well lived is a precious gift,
Of hope and strength and grace.
From someone who has made our world,
A brighter place.

It's filled with moments sweet and sad,
With smiles and sometimes tears.
With friendships formed and good times shared
And laughter through the years.

A life well lived is a legacy,
Of joy and pride and pleasure.
A living, lasting memory,
Our grateful hearts will treasure.

- Christina Georgina Rossetti

Amazing Grace

Amazing grace, how sweet the sound,
That saved a wretch like me.
I once was lost, but now I'm found,
Was blind, but now I see.

Through many dangers, toils and snares
We have already come,
'Twas grace that brought us safe thus far
And grace will lead us home.

When we've been there ten thousand years,
Bright shining as the sun,
We've no less days to sing God's praise
Than when we've first begun.

Amazing grace, how sweet the sound,
That saved a wretch like me.
I once was lost, but now I'm found,
Was blind, but now I see.
