*When I go, don't learn to live without me,
just learn to live with my love in a different way.*

*And if you need to see me, close your eyes,
or look in your shadow when the sun shines.*

*Sit with me in the quiet
and you will know that I did not leave.*

*There is no leaving when a soul
is blended with another.*

*When I go, don't learn to live without me,
just learn to look for me in the moments.*

I will be there.
