## THE DASH

I read of a man who stood to speak  
At the funeral of a friend  
He referred to the dates on the tombstone  
From the beginning...to the end

He noted that first came the date of birth  
And spoke the following date with tears,  
But he said what mattered most of all  
Was the dash between those years

For that dash represents all the time  
That they spent alive on earth.  
And now only those who loved her  
Know what that little line is worth

For it matters not, how much we own,  
The cars...the house...the cash.  
What matters is how we live and love  
And how we spend *our dash*.

## LOOK FOR ME IN RAINBOWS

Time for me to go now, I won't say goodbye  
Look for me in rainbows, way up in the sky  
In the morning sunrise, when all the world is new  
Just look for me and love me, as you know I loved you

Time for me to leave you, I won't say goodbye  
Look for me in rainbows, high up in the sky  
In the evening sunset, when all the world is through  
Just look for me and love me, and I'll be close to you

It won't be forever the day will come and then  
My loving arms will hold you, when we meet again

Time for us to part now, we won't say goodbye  
Look for me in rainbows, shining in the sky  
Every waking moment and all your whole life through  
Just look for me and love me, As you know I loved you

*Just wish me to be near you,  
and I'll be there with you*
