Immortality

Do not stand by my grave and weep,
I am not there, I do not sleep.

I am the thousand winds that blow,
I am the diamond glints in snow.
I am the sunlight on ripened grain,
I am the gentle autumn rain.

As you awake with morning's hush,
I am the swift, uplifting rush
of quiet birds in circling flight.
I am the day transcending night.

Do not stand by my grave and cry,
I am not there, I did not die.
