How Do I Say Goodbye

Early morning, there's a message on my phone
It's my mother saying, "darlin' please come home"
I fear the worst, but how could you leave us all behind?
There's so much to say but there's so little time.

Chorus

So how do I say goodbye,
To someone who's been with me for my whole damn life?
You gave me my name and the colour of your eyes,
I see your face when I look at mine.
So how do I, how do I, how do I say goodbye?

When I couldn't, you always saw the best in me,
Right or wrong, you were always on my side,
But I'm scared, of what life without you's like,
And I saw the way she looked into your eyes.

And I promise if you go, I will make sure she's alright.

And there's no way you could ever let me down,
Gonna steal some time and start again,
You'll always be my closest friend,
And someday we are gonna make it out,
Just hold the light, just hold the light.

So how do I say goodbye
To someone who's been with me for my whole damn life?
You gave me my name and the colour of your eyes,
I see your face when I look at mine.
So how do I, how do I, how do I say goodbye?
So how do I, how do I, how do I say goodbye?
