What Can You Say?

*What can you say,
To someone who has always been one of
The most essential parts of your world;
Someone who took you by the hand,
When you were little and helped to show the way.*

*What do you say to someone
Who stood by to help you grow,
Providing love, strength, and support
So you could become the person you are today?*

*What can you say to let her know
That she's the best there is,
And that you hope you've inherited
Some of her wisdom and her strength?*

*What words would you say
If you ever got the chance?
Maybe you just say, I love you Judy,
and hope she understands.*
