When I come to the end of the road

*And the sun has set for me*

I want no rites in a gloom filled room

*Why cry for a soul set free*

Miss me a little, but not for long

*And not with your head bowed low*

Remember the love that once we shared

*Miss me, but let me go*

For this is a journey we all must take

*And each must go alone*

It's all part of the master plan

*A step on the road to home*

When you are lonely and sick at heart

*Go to the friends we know*

Laugh at all the things we used to do

*Miss me, but let me go*
