I think of you when I think about forever
I hear a joke and I know you would have told it better
I think of you out of the blue when I am
watching a movie that you'd hate
~ you'd say it
you were never one to hesitate
You were first in line
So why would it be different for heaven?

Weep Not For Me

Weep not for me though I have gone
into that gentle night
Grieve if you will, but not for long
upon my soul's sweet flight

I am at peace, my soul's at rest
There is no need for tears
For with your love I was so blessed
for all those many years

There is no pain, I suffer not
the fear is now all gone
Put now these things out of your thoughts
In your memory I live on

Remember not my fight for breath
Remember not the strife
Please do not dwell upon my death
but celebrate my life
