

*Jen*

What moves through us is a silence

*A quiet sadness, a longing for one more day*

One more word, one more touch

*We may not understand why you left this earth so soon*

Or why you left before we were ready to say good-bye

*But little by little*

We begin to remember not just that you died

*But that you lived*

And that your life gave us memories

*Too beautiful to forget*
