All Is Well

Death is nothing at all
I have only slipped into the next room
I am I and you are you
Whatever we were to each other
That, we still are

Call me by my old familiar name
Speak to me in the easy way, which you used to.
Put no difference in your tone
Laugh as we always have laughed
at the little jokes we enjoyed together

Let my name be ever the household word
that it ever was

Let it be spoken without effort
Without the trace of a shadow on it

Life means all that it ever meant
It is the same as it ever was
There is absolute unbroken continuity
Why should I be out of mind because I am out of sight?

I am waiting for you, for an interval
Somewhere very near
Just around the corner

All is well

Nothing is past, nothing is lost
One brief moment and all will be as it was before
Only better, infinitely
