10:00

Traditional Chinese Puppet Show

The performance features three types of traditional Chinese puppets: string puppets, hand puppets, and rod puppets. Through stories filled with humor and skill, the audience will enjoy "Monkey King and Kung Fu," "Monkey Training," "Puppet Fighting," and "Face Change." The show also includes interactive games with the audience, while a clown adds to the atmosphere and engages with the spectators.

Echoes of the East: Chinese Jazz Concert

XU QUINTET is a renowned Chinese and international jazz ensemble that combines traditional Chinese music with contemporary jazz. Through traditional melodies, modern rhythms, and improvisation, the group creates a musical dialogue between Eastern traditions and Western jazz. This concert is part of International Jazz Festival in Albania.
