Film Screening: “A House on Fire”

The film tells the story of Montse, who eagerly looks forward to spending a weekend with her family at her house in Cadaqués, on the Costa Brava. Determined to make everything perfect, she refuses to let anything ruin her expectations, even if fulfilling this dream means going to extremes. The film has received several prestigious awards and nominations, including the 2024 Goya Award for Best Original Screenplay.

Presentation of the Albanian Edition of Ana María Matute's Novel "The First Memory"

As part of the initiative to promote Spanish literature in Albania, the Albanian translation of First Memory, a novel by Spanish writer Ana María Matute, will be presented for the first time. The novel explores the transition from childhood to maturity through the story of a fourteen-year-old girl against the backdrop of the Spanish Civil War, addressing themes of memory, the loss of innocence and the consequences of war. The novel is published for Albanian readers by Sapere Aude Publishing House, translated by Antonio Çikollari.
