

Guido Tani

ALTERNATE AUDITOR

He graduated with a degree in Economics and Business in 1993. He is a registered Statutory Auditor and is listed as an Expert in Business Valuation with the Register of Technical Consultants of the Court of Milan.

Guido began his career at KPMG Audit, serving as a Manager for industrial and commercial companies. Since 2017, he has been a Partner and Managing Director at Audital and Gifi, where he oversees audit engagements and financial due diligence for international groups. He sits on various Boards of Statutory Auditors, including those of Var BMS S.p.A. and BorgWarner Morse Systems Italy, and is actively involved as a microcredit tutor.
