

Otis Heuverling

Otis graduated from Maastricht University in 2012 and has worked as a lawyer since 2013. In addition, he completed the Grotius specialist programme in Dutch and European procurement law with honours in 2019-2020.

Expertise:

Otis's clients are largely drawn from companies specialising in project development and sustainable energy. In his practice, he focuses primarily on matters of construction law, procurement law and energy law and he is engaged by clients in particular to advise on energy issues as well as to draw up and review contracts and agreements.

Otis has listed the following main and secondary legal practice areas in the register of legal practice areas of the Netherlands Bar (Nederlandse orde van advocaten, NOVA):

- Real estate law
- Procurement law

This listing requires him to obtain ten training credits in each registered main legal practice area in accordance with the standards of the Netherlands Bar each calendar year.

Practice areas

EU & State aid law

Construction law

Procurement law

Renewable energy

Area Development
