

EVERNOW

Overview & Talking Points

What is Evernow?

- Evernow is a telemedicine company that helps women receive access to our menopause experts in <24 hours across the US
- We create personalized care plans based on her symptoms and patient profile (with care options ranging from prescription medications, medically backed wellness programs, and engaging educational resources)
- We empower her to track her journey with our Symptom Tracker in our easy to use Mobile iOS app

Who are our providers?

- NAMS (North American Menopause Society) certified physicians led by Dr. Leah Millheiser, a leading OBGYN in the field (& Stanford professor)

Why do our members love us?

- Out of 100,000+ women we've helped, on average members feel a 68% improvement across menopause symptoms after 3 months (& even more after months 4+)...
 - 90% hot flash improvement
 - 81% night sweats improvement
 - 77% mood swings improvement
 - 68% anxiety/depression improvement
 - 63% weight changes improvement
 - 58% sleep disruptions improvement

Tried & trusted by real women.

Michelle

I have a doctor I can talk to!!

"I have my 2 best girlfriends with you guys now, we talk about how caring and amazing Evernow is. I have never had a doctor I could talk to like this. I wish the whole medical field would go to this system."

Lori

It is a game changer.

"Just when I was at my wits end with menopause, Evernow has given me the upper hand. My hot flashes and night sweats are GONE!!! My mood swings have leveled out, and my libido is back. Overall, I feel like a whole new person."
