

# PRO - AIR ROWER

Engineered with a stainless-steel rail and a sturdy frame, the Jerai Pro Air Rower offers a smooth and powerful full-body workout. It features dual air and magnetic resistance with adjustable levels to intensify your training. The advanced console displays key metrics including strokes, watts, calories, and heart rate, while the foldable monitor arm with adjustable height enhances user comfort. Built for performance and durability, it's perfectly suited for commercial gyms and professional fitness centers.
