

UPRIGHT BIKE DIAMOND - UB

Compact, powerful, and ergonomically designed, the Diamond - UB upright bike offers a premium Cardio experience. With a 20-level Poly-V belt resistance system and dot-matrix LED display, it helps users track key metrics like speed, time, distance, and calories for optimized performance. Built on a sturdy commercial-grade frame, it features auto-leveling pedals, quick-adjust straps, a soft-grip handlebar for upper body support, and an oversized cushioned seat with air-rod suspension for added comfort. Whether you're a beginner or a pro, its 4 preset workout programs and user mode deliver effective, customizable training—perfect for any fitness setting.
