

MULTI FUNCTIONAL STATION

JPRMP - 701

The Multi Functional Station from the proton Series is engineered to enable full-body functional training with dual pulley versatility. A powerhouse of versatility, the Multi Functional Station is designed to enable a full-body workout through a wide range of cable-based exercises. Featuring dual adjustable pulleys, it allows smooth movement in multiple planes for strength, stability, and functional training.

FEATURES

- ◆ **Dual Adjustable Pulleys:** Offers versatile exercises for multiple muscle groups.
- ◆ **Independent Weight Stacks:** Enables varied resistance for unilateral or bilateral workouts.
- ◆ **Multi-Grip Pull-Up Bar:** Supports pull-ups, chin-ups, and upper-body exercises.
- ◆ **Smooth Cable System:** Ensures fluid motion and consistent resistance.
- ◆ **Versatile Attachments:** Compatible with handles, bars, and straps for diverse training.
