

CURVE TREADMILL JCT - 800

The Curve Treadmill JCT-800 features a durable curved aluminum belt and a spacious 1300 mm running area for a natural, high-intensity workout. With Magnetron resistance, 1-6 gear adjustment, and a clear console showing time, speed, and calories, it's built for performance and versatility. Supports up to 180 kg and comes in a sturdy 71" x 33" x 60" design — perfect for any gym or training space.
