

ELLIPTICAL JEP9

The Elliptical JEP 9 delivers a smooth, low-impact workout with a 7" blue backlit LCD screen displaying time, distance, RPM, speed, calories, pulse, watts, and more. It features 14 programs—including manual, HRC, and user-set options—and hand-held pulse sensors for real-time heart-rate tracking. With 36 resistance levels, built-in speakers, MP3 aux, USB charging, a fan, and convenient storage options, it's designed for comfort and performance. This self-powered elliptical supports up to 180 kg and comes in a sturdy 90" x 32" x 71" frame
