

PRO - AIR BIKE

Designed for intense cardio and strength conditioning, the Jerai Pro Air Bike PRO500 features a single-stage belt drive and high-strength fan for infinite air resistance. Its oversized seat with multiple adjustments ensures maximum comfort, while foot pegs allow targeted upper-body workouts. The console tracks key metrics like RPM, speed, watts, and heart rate, with built-in interval and HRC programs. With added smartphone and water bottle holders, it's a powerful tool for commercial gyms and performance facilities.
