

ELLIPTICAL DIAMOND - EP

The Elliptical Diamond - EP by Jerai delivers smooth, full-body cardio with maximum comfort and durability. Featuring a 20-level Poly-V belt resistance system and a 533 mm stride length, it ensures natural, low-impact motion suitable for users of all sizes. Its dot-matrix LED console tracks key metrics like speed, time, incline, distance, and calories. With 4 preset workout programs and a user-defined mode, it supports varied and effective training sessions. Ergonomic foot pedals, a compact heavy-duty frame, and storage space for bottles and gadgets make this elliptical both user-friendly and space-efficient.
