

TREADMILL RUN RT

The TREADMILL RUN RT features a 4-window LED display for real-time tracking of speed, incline, distance, and heart rate. With 20 incline levels, speeds up to 25 km/h, and a powerful 3.0 HP AC motor, it delivers high-performance workouts. A spacious running surface, pre-waxed reversible deck, and shock absorption ensure smooth and comfortable training, while built-in programs and safety features enhance overall user experience.
