

PRO - SPINNING BIKE

Built for high-performance cycling sessions, the Jerai Pro 6500S features an 18kg flywheel and a dual belt drive system for smooth, quiet operation. The magnetic resistance system offers seamless tension control, while the multi-position handlebars and SPD pedals ensure a versatile and stable ride. Track key stats like RPM, speed, distance, and calories on the integrated console. Complete with a tablet and water bottle holder, it's ideal for intensive commercial use.
