

**FORD TRANSIT
CREW CAB**

(PHEV) EV ⚡ READY

COMFORT. DESIGN. FUNCTIONALITY.

Expand the usability of the Ford Transit with the Crew Cab. Add an extra row of seats that integrates seamlessly into the vehicle's original design and interior. The ergonomic and spacious layout ensures a comfortable and safe journey, while your cargo is transported in accordance with the latest safety standards.

The Ford Transit Crew Cab is finished to a premium standard with excellent sound insulation and meets the highest quality and safety standards.

MAXIMUM CAPACITY. MAXIMUM CONVENIENCE.

The practical design of the Crew Cab makes optimal use of every centimeter and offers the flexibility needed for everyday use. The generous cargo area, including smart storage beneath the rear seat, remains easily accessible and highly functional.

The Ford Transit with Crew Cab offers the optimal combination of functionality and design, making it suitable for both business and private use.

01 SMAR STORAGE IN THE OVERHEAD COMPARTMENT

Need extra storage space? Above the safety window you'll find a practical overhead compartment, perfect for safely storing additional items.

02 LUXURY SIDEWALL FINISHING

The high-quality sidewall trim gives the cabin a professional look. Depending on the Crew Cab variant you choose, the side wall is equipped with a storage compartment and a cup holder.

03 ABS SEPARATIONWALL WITH EXTENDED CARGO SPACE

The premium and durable ABS wall combines strength with a sleek design. Its smooth finish gives the cabin a modern and professional appearance. In addition, the wall delivers sound isolation and safety for driver and passengers. Thanks to the extra loading space beneath the bench, materials up to 3593 mm can be transported.
