

Social Screening Report

KAI THOMAS

● Medium risk | 3 flagged posts

Confidential – For authorized use only

This report contains sensitive information derived from publicly available online content. It is intended solely for the use of authorized personnel for background evaluation purposes. Unauthorized access, distribution, or disclosure is strictly prohibited. The findings herein do not constitute a final judgment of character or intent.

Kai Thomas

India

	Date of birth	30 Sep, 1989
	Nationality	Indian
	Place of birth	Rajkot, Gujrat
	Sex	Male (M)
	Current job	Logistics Coordinator at Global Trade Express

AI SUMMARY

Kai Thomas has been flagged for online content suggesting hate speech, criminal behavior, and national security concerns. Posts include discriminatory remarks, an apparent admission of bribery, and anti-government rhetoric targeting the United States. These findings raise concerns about his judgment and alignment with legal and ethical standards, warranting further review.

Content risk and analysis

Post sentiment

Kai Thomas's overall sentiment score indicates a predominantly negative tone across his social media activity. This score reflects a higher frequency of posts expressing hostility, or emotionally charged language, especially in contexts related to politics, authority, and social issues.

Travel footprint

Kai has likely visited 9 countries and travels internationally about twice a year. Below is a list from his social media activity, with high-risk or sensitive regions flagged.

- India
- Indonesia
- Canada
- Argentina
- Italy
- Austria
- Hungary
- ⚠️ Libya
- ⚠️ Turkey

Content violation summary

CATEGORY	FLAGGED POSTS	OBSERVATION
Political content	1 Post	Yes, posts critical of US foreign policy and government institutions
Religious extremism	No	No posts promoting religious extremism, radical ideologies, or incitement on religious grounds were identified.
National security concern	1 Post	Yes, shared content expressing support for groups critical of U.S. government surveillance and military actions, which may raise national security flags.
Hate speech & aggression	1 Post	Yes, used discriminatory language targeting specific religious and ethnic groups.
Illegal immigration advocacy	No	No content endorsing, promoting, or supporting illegal immigration practices was detected.
Criminal behaviour or advocacy	1 Post	Yes, referenced bribing a police officer to reinstate a driver’s license.
Sexual misconduct	No	No posts containing sexually explicit or inappropriate material were identified.
Substance abuse	No	No content suggesting the promotion or use of illegal substances or alcohol was found.
Cultural Disrespect	No	No content endorsing, promoting, or supporting illegal immigration practices was detected.

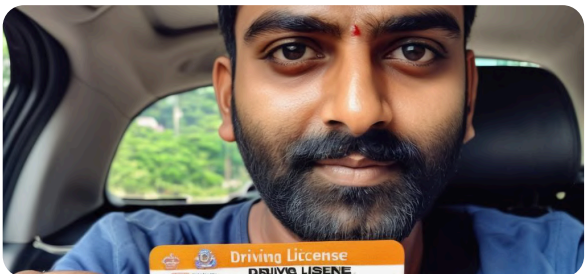

Funny how all the media and banks are controlled by the same small group... do your research

⚠️ Online hate speech & aggression

This kind of vague insinuation taps into antisemitic conspiracy theories about Jewish control over media and finance.

If you know the right cop, anything is possible 😏. Paid ₹1k and walked out with my license reinstated—India 101!

⚠️ Criminal behavior or advocacy

This post appears to admit to bribing a law enforcement officer, which suggests involvement in corrupt or illegal behavior.

One day the U.S. will pay for all the wars it started. Can't wait to see this entire country collapse from the inside 🤔🤔🤔🤔
