Construction Training Australia Pty Ltd will provide applicants with the opportunity to apply for credit prior to Application for Enrolment or during the initial part of the course. CTA will recognize past study and life experience and assess these aspects against the units and training package requirements. Students may apply for exemptions from units of competency in courses where they can demonstrate that they have the skills or knowledge already. These skills have been obtained from prior study (similar courses) or even from life skills. Recognition of prior learning is a way of recognising these skills and prior learning where it is relevant to a training course offered by CTA.

Applicant students will be required to provide documentary evidence of prior learning for each module where exemption is claimed. Documentary evidence is required to be original qualification / certification or certified true copy.
