

Sahyadri Farms Post Harvest Care Limited.

QUALITY & FOOD SAFETY POLICY

Seeding goodness

We at Sahyadri Farms Post Harvest Care Limited, are determined and committed to deliver safe, traceable, authentic products to the specified quality as per the national and international standards requirement.

To meet our commitment, we ensure

- To comply with statutory, regulatory and mutually agreed requirements of the Customer.
- To procure excellent quality raw material and process & pack it under hygienic conditions with advanced technology & ensuring best process quality control.
- To regularly review and improve quality control processes and standards by implementing rigorous internal auditing system and implementing corrective actions.
- Controlling the food safety hazards at the External Provider's level by approving the External Providers and checking the incoming raw and packaging material before use at factory.
- Continuously improve Food Safety & Quality Culture across the organization.
- Significantly improve Food Safety competence at all levels.
- Effective Internal and External Communication.
- Meeting customer expectations of required standards of the product along with on time delivery and at a competitive price.
- Waste to wealth conceptualization through Upcycling of by-products to create value to the chain.
- To review and communicate our Quality and Food Safety Policy to all levels within the organization and to all Interested Parties.

Continuous monitoring of the product & service quality and continual improvement are the integral part of our Food Safety Standards to gain and retain the trust of the Customers, External Providers and Employees. The Policy will be reviewed annually to ensure that it continues to reflect the aim & aspiration of our Organization and keep updated with global standard & legislative requirement.
