What in the world is...?

## Hymns, Praise Songs?

Singing loudly is not just something we do in the shower. God gave us voices to sing about how awesome he is!

## Confession?

God wants to hear what we did wrong. Tell him! He not only listens, he also forgives.

## Prayer?

God cares so much for us that he taught us to pray. He wants us to know what to pray for and also how to pray. How amazing is that? Take a look in your parents' bulletin to check it out!

## The Offering?

Ever wonder why we put money in that basket being passed around? God wants us to give to him and his church in joy as an act of worship!

## The Sermon?

This is when the pastor helps us understand what God is telling us in the Bible. And the Bible is God's word!

## Communion?

Communion is when we celebrate what Jesus did for us on the cross. We say the bread represents Jesus' body and the wine represents Jesus' blood. Weird huh? And awesome. It means Jesus is really spiritually present with us in the Lord's Supper by the power of the Holy Spirit. And when we eat the bread and drink the wine God nourishes our spirits!!! Who gets to take communion? Those who believe in Jesus and have shared their faith with the leaders in the church.

## Benediction?

This is the end of the church service where everyone receives God's blessing. Isn't it awesome that God shares this blessing with us?

## MEMORY VERSE OF THE WEEK

I have been crucified with Christ. It is no longer I who live, but Christ who lives in me. And the life I now live in the flesh I live by faith in the Son of God, who loved me and gave himself for me.

Galatians 2:20

## CATECHISM OF THE WEEK

### What is sanctification?

Sanctification is the work of God's free grace, whereby we are renewed in the whole man after the image of God, and are enabled more and more to die unto sin, and live unto righteousness.

## PRAYER REQUEST

"Father, more than anything I thank you for Jesus because in Jesus I get you and all your blessings."

# KID'S LESSON

Why do your parents teach you about being thankful? Have y'all ever gotten a present for your birthday or for Christmas and you tear off the wrapping paper and you're super excited and everyone is looking at you and they're excited for you and you open it up and the present is kind of lame because it's not what you wanted. And your face says it all - you're not excited anymore, you're not happy. And what do your parents make you say? They look at you and command you: "Say thank you!" And you may not say it but you're thinking, "Why? This not what I asked for and I was really specific about what I did ask for."

Do you know why parents want you to say thanks for a gift you don't want? Because we know that saying "thank you" will actually help you be more thankful.

It's why the church includes a prayer of thanksgiving; it's why we read Scripture together and then we all say together, "Thanks be to God." Even your parents, us adults have got to tell each other - "Say thank you to God."

In Ephesians 1:15-23, Paul is going to tell the church that he is so thankful for them and all how God has saved them and all that God is doing in the world through them.

You were made to be thankful and giving thanks is good for you. And what do we have to be most thankful for? Jesus living and dying for us.

And what do you think Jesus will say when you meet him in heaven and you say to him, "I'm thankful for you?" He he will say right back to you, "I'm thankful for you." Before he went to the cross Jesus thanked God the Father that he got to go to the cross because it meant he got to save you and he's thankful he has you because he loves you.
