What in the world is...?

## Hymns, Praise Songs?

Singing loudly is not just something we do in the shower. God gave us voices to sing about how awesome he is!

## Confession?

God wants to hear what we did wrong. Tell him! He not only listens, he also forgives.

## Prayer?

God cares so much for us that he taught us to pray. He wants us to know what to pray for and also how to pray. How amazing is that? Take a look in your parents' bulletin to check it out!

## The Offering?

Ever wonder why we put money in that basket being passed around? God wants us to give to him and his church in joy as an act of worship!

## The Sermon?

This is when the pastor helps us understand what God is telling us in the Bible. And the Bible is God's word!

## Communion?

Communion is when we celebrate what Jesus did for us on the cross. We say the bread represents Jesus' body and the wine represents Jesus' blood. Weird huh? And awesome. It means Jesus is really spiritually present with us in the Lord's Supper by the power of the Holy Spirit. And when we eat the bread and drink the wine God nourishes our spirits!!! Who gets to take communion? Those who believe in Jesus and have shared their faith with the leaders in the church.

## Benediction?

This is the end of the church service where everyone receives God's blessing. Isn't it awesome that God shares this blessing with us?

## MEMORY VERSE OF THE WEEK

Jesus Christ is the head of the body, the church. He is the beginning, the firstborn from the dead, that in everything he might be preeminent.

Colossians 1:18

## ? CATECHISM OF THE WEEK ?

**What do you believe concerning "the holy catholic church"?**

I believe that the Son of God through his Spirit and Word, out of the entire human race, from the beginning of the world to its end, gathers, protects, and preserves for himself a community chosen for eternal life and united in true faith. And of this community I am and always will be a living member.

## PRAYER REQUEST

"Father, I pray you help our church spread the gospel of Jesus' salvation to more unbelievers!"

# KIDS' LESSON

Do you remember what you had for dinner last Tuesday? No? But did you eat?

I bet there are only a few meals each year that you really remember. Most of the time you eat and forget about it but you are still fed. You're nourished, you're filled up, you're strengthened to sleep well, get up the next day, go to school, go play, go live, and keep going.

That's what we're about to do right now with you guys and with the older people in here - we're going to have a kind of meal but not for our bodies, we're going to feed our souls. The Preaching of the Word - we do it every Sunday - and what do I talk about every Sunday?

Bible.

And whats it all about?

Jesus. And what does Jesus do? Saves us. We're going to talk about that again? Yes, and doesn't it sound different every Sunday and the same? That's because the gospel is this thing we can talk about in a few seconds and it's what we will talk about forever and ever in heaven. The gospel of Jesus is that awesome, and it's Jesus and his life and death that saves us so we talk about that gospel because it also nourishes us. You've been saved and Jesus is still at work in you, loving you, growing you and the preaching of his Word feeds your soul.

I'm going to preach a sermon - and you may be like ugggggghhhh - but you may be like ugggghhhh when you sit down for dinner but you still got to eat or you're going to be hungry and angry and tired and if you never eat you'll get sick and if you keep not eating you'll die. Same with preaching the gospel - you've got to hear this, you've got to get together with your family for this time for your soul or your soul will go hungry, and you'll get angry at everyone, you'll get tired, you'll get sick, your soul will wither up if you don't feed it the gospel.

The world says that Jesus stuff is silly, I can feed my soul with other stuff and be stronger and smarter but look at the world - it's so sick, it's dying without Jesus - it's trying to live on empty calories like chips, like trying to live on poison.

But if you feed your soul the gospel it will save you and it will grow you - you might not see it a lot of the time - but just like you don't see yourself growing when you eat, you are. God says the gospel is not silly, it's the only thing that will save and grow you, and give you life forever.
