What do the Old Testament judges have to do with us today? They were unlikely heroes that God raised up to deliver his forgetful people from idols of the world. Through this study, we'll expose the danger of history repeating itself in the church and remember how the ultimate Judge was sent to deliver his church.

We tend to think Romans is intimidating and scary because there's so much serious theology in it. All the while the world does not take our theology seriously, but instead thinks Jesus and the gospel about a crucified savior is a joke. Part of how we need to approach Romans therefore is seeing Paul point up the absurdity of evil and the devil and death and everything that sets itself up in opposition to Jesus. Paul is not ashamed to hold this gospel out to anyone who wants it.
