

# Dylan Cooper

## Recruiter Cheat Sheet

### INTERESTED IN

Senior / Lead UX Designer positions working on complex B2B SaaS products with scaling design teams.

### EXPERIENCE

#### Industries

5 years across FinTech, GovTech, and Enterprise

#### Work Environments

Early-stage products and design teams ready to scale

#### Product Category

Desktop B2B SaaS

### LOGISTICS

#### Location

Washington, D.C.

#### Salary Range

\$130,000 - 160,000 USD

#### Work Authorization

U.S. Citizen

#### Work Preferences

Remote, some travel OK

### WHY I'M AVAILABLE

My current role has become too comfortable with no room for growth. I'm looking for an environment that challenges me to continuously evolve as a designer.

### WHAT DRIVES ME

Becoming world-class at designing early-stage products and scaling design organizations in companies that create a better world.

### WHERE DO I SEE MYSELF IN 5 YEARS

Leading design at an early to mid-stage B2B SaaS company.
