

CHEYENNE AND ARAPAHO TRIBES
Remote Participation Registration
Annual Tribal Council Meeting – October 4, 2025

Remote participation has been approved for Tribal Council meetings to ensure equitable access for all Cheyenne and Arapaho citizens, even if they cannot attend. This secure system allows eligible members to observe and vote in Tribal Council meetings from a distance.

By registering for remote participation, you agree to the following:

- **You will not attend the October 4, 2025, Tribal Council meeting in person.**
- You will have access to a smartphone, tablet, or computer that allows you to view the meeting and cast your vote.
- If you attend in person after registering for remote access, your device will be blocked from participating in that session and you will be given a hand held voting device to cast your vote in person.
- **The PENALTY for intentionally voting from a personal device while present and voting with a hand held device is being prevented from participating remotely until one Tribal Council meeting is attended in person.**
