**Title 1 of the Adam Walsh Act known as the Sex Offender Registration and Notification Act (SORNA):**

All sex offenders who reside, are employed, or are a student within the lands subject to tribal jurisdiction must register with the Sex Offender Registry Program. In these types of cases, sex offenders must register and keep the registration current.

Additionally, all sex offender convicted by the Tribes of a covered sex offense must register. In these types of cases, sex offenders must initially register with the Tribes regardless of the sex offender's actual or intended residency.

Each registered sex offender appears in person to keep registration current based on the level at which the person has been tiered. Tiering is as follows: 1) Tier 1 sex offenders appear once a year for 15 years; 2) Tier 2 sex offenders appear once every

180 days for 25 years, and 3) Tier 3 sex offenders appear once every 90 days for the life. The Tribes collaborate with US Marshalls, BIA Law Enforcement, and surrounding counties to enforce the Tribal Sex Offender Registration Act.
