CONTACT US

To contact our mental health support line, please reach out to our team or visit our office for assistance. Our team is ready to provide support and connect you with the necessary resources.

2

INITIAL INTAKE

The initial intake process for the Mental Health Support involves a brief assessment to understand your needs and connect you with appropriate services. Our team will gather essential information and guide you through the next steps for support. We will then match you with a provider or the Health Education Coordinator for a Mental Health Screening.

3

REFERRAL & RESOURCES

The Mental Health Support line offers referrals to mental health support, cultural advisors, and crisis intervention. These services are designed to assist community members during times of need with culturally sensitive care.

4
