PIEMONTE

BAROLO

“The king of wines, and the wine of kings”

Nebbiolo grape, from its most prestigious region. Light in color, but full of earthy flavors and powerful structure.

The villages of La Morra and Barolo itself, offer a fruitier style, aged in newer oak, and more approachable when young. While the villages of Monforte, Serralunga and Castiglione offer a more austere, drier and tannic style, that requires long aging to show complexity. Novello is the new revelation of Barolo
