

WELCOME

Welcome to the 36th Annual Spring Exotic Game Sale at Y.O. Ranch Headquarters

It is our pleasure to welcome you to the YO Ranch Headquarters. We are excited you have chosen to spend your afternoon with us, and we hope you have a wonderful experience. We are pleased to welcome breeders, ranchers, collectors, and vendors from near and far. We have brought together an outstanding selection of quality exotic animals.

Our auction is more than a sale; it is an opportunity to connect with fellow enthusiasts, meet experienced breeders and vendors, and discover new animals and products. We are proud to have a variety of vendors joining us offering products and services. Be sure to take time to visit the booths and learn more about what they have to offer.

Thank you to our consignors, vendors, staff, and, especially, you, our guests for helping make today possible. Welcome, enjoy the auction, and best of luck with your bids!

TERMS & CONDITIONS

REGISTRATION

- All buyers must register and receive a unique bidder number before bidding.
- At registration, you must select one payment method: cash, check, or credit card.
- Registration constitutes acceptance of these Terms & Conditions.

BIDDING

- Each lot sells to the highest bidder, as determined by the auctioneer.
- In the event of tie bids or other disputes, the auctioneer's decision is final.
- When the auctioneer announces "SOLD," a binding contract is formed between buyer and seller.
- Buyers must immediately acknowledge and sign the lot ticket at the fall of the hammer.
- Lot Price = Winning Bid × Number of Animals
Example: Lot 27 contains 1.2 waterbuck (one male and two female) three waterbuck in total.
A winning bid of \$5,000 per head → Total price = \$15,000.

PAYMENT

- Payment in full is due immediately at sale's end.
- Accepted forms: cash, check, or credit card.
- A 3% processing fee applies to all credit card transactions.

PHOTOGRAPHY

- No outside photography or video is permitted during the auction.
- Any stock or illustrative photo will be clearly labeled in the lot description.
- Otherwise, images displayed depict the actual animal(s) offered.

HEALTH & TRANSPORT

- Buyers must verify and comply with all import regulations through their state veterinarian.
- Intrastate shipments require no health certificate—except for tested cattle and bison.

ANNOUNCEMENTS

- Buyers must verify and comply with all import regulations through their state veterinarian.
- Intrastate shipments require no health certificate—except for tested cattle and bison.

GUARANTEE

- Any breeding or reproductive guarantees are between consignor and purchaser only.
- Y.O. Ranch Headquarters disclaims all liability for these arrangements.

POSSESSION & CARE

- Ownership and risk of loss pass to the buyer upon sale; physical possession follows full payment.
- Animals remaining on-site after the Sunday following the sale incur a care fee of \$100 per head, per day.

LIABILITY WAIVER

- By participating in the auction, you agree to:
- Hold harmless Y.O. Ranch Headquarters, its owners, family members, and staff from any injury or property damage.
- Accept full responsibility for any incidents during attendance or animal removal.
- Resolve any disputes with other attendees directly, without recourse to the sale host.

These Terms & Conditions, together with any sale-day announcements, constitute the complete agreement between buyer and seller. Registration or participation by buyer or consignor confirms acceptance of all terms herein.

AUCTIONEER

AND SPECIES SUMMARY

Roland "Tooter" Trees T.D.L.R. 10242

Roland "Tooter" Trees has been auctioneering for 34 years. He is a graduate of Texas Tech with a BS in Animal Science. His lifelong involvement in ranching, livestock, and game (native and domestic) is what led him to the auctioneering field. He has also judged livestock shows in Australia, Canada, Great Britain, Texas, and across the U.S. He has lived in the Hill Country all of his life. He and his wife of 37 years, Terri, have two children—Taitum, who is the Marketing Manager for the Fredericksburg Convention and Visitors Bureau, and Taos, a Residential Real Estate Appraiser based in Lubbock.

Reliable sedation support for wildlife care and capture

Capture (CAP)

BUTORPHANOL TARTRATE
60MG/ML, AZAPERONE 24MG/ML,
MEDETOMIDINE HCL 24MG/ML

- ✓ High concentration allowing for smaller volumes and dart sizes
- ✓ Kit includes reversal agents
- ✓ Commonly used on variety of cervid species, most goat and sheep species, etc.

Capture K (CAP-K)

CAP PLATFORM WITH ADDITION OF
KETAMINE HCL 100MG/ML

- ✓ Ketamine is a true anesthesia medication that can add an additional depth of anesthesia
- ✓ Lower concentration of Ketamine can allow for shorter time before reversal of animal
- ✓ Commonly used on Addax, Gemsbok, Blackbuck, etc.

Capture KM (CAP-KM)

CAP-K PLATFORM WITH ADDITION
OF MIDAZOLAM 20MG/ML

- ✓ Midazolam can provide additional sedation when combined with Ketamine
- ✓ Can aid in immobilization of "difficult" to immobilize species
- ✓ Has been used in Kudu, Nyala, Bongo, Zebra, etc.

All-In-One Reversal

ATIPAMEZOLE 60MG/ML, NALTREX-
ONE HCL 30MG/ML

- ✓ Combined reversals allow for a single reversal vial and injection
- ✓ Concentrations designed for proportional reversal based on immobilizer amount administered
- ✓ Available option for all kits that contain Butorphanol/Nalbuphine AND Medetomidine HCL

Ivermectin (Concentrated)

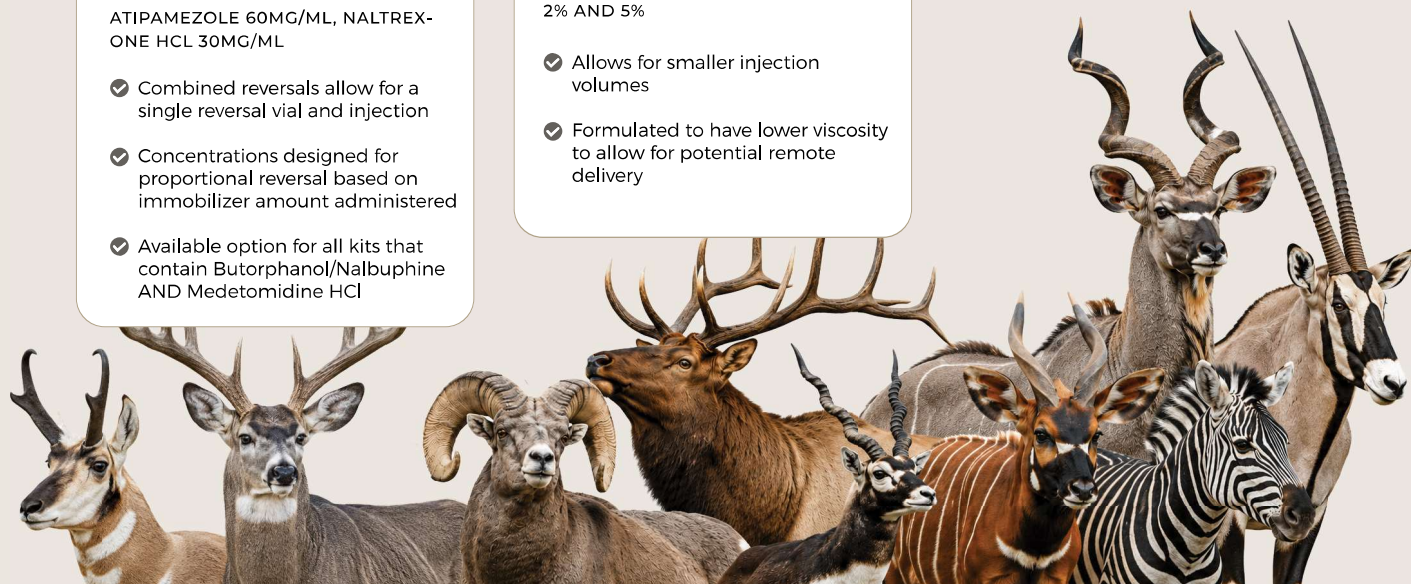

2% AND 5%

- ✓ Allows for smaller injection volumes
- ✓ Formulated to have lower viscosity to allow for potential remote delivery

Doramectin (Concentrated)
